The Bison, February 26, 1959
Harding College has been awarded second place in the Thomas Jefferson Awards for its award second place in the special George Washington Honor Medal. Dr. Joseph Benson, chairman of the Harding Athletic Committee, who will serve as Harding's faculty representative to the AIC, and by Athletic Director M. R. Pilkinton.

A stipulation accompanying the acceptance of Harding makes it mandatory for the new members to take on all conference programs. The procedure is to be followed up a six-game schedule.

The Progress of President Harding College during the past 1961 football season is discussed. A trip to New York was the highlight of the trip and the party was entertained at the home of the American Ambassador to the United States. The party also included a visit to the United Nations headquarters.

The college also won for the second time, the Freedom Foundation's distinguished service award for its activities and programs in the Thomas Jefferson Awards, the George Washington Honor Medal.

Harding Receives Second Place In Freedom Foundation Awards

By Pat Hackshaw

The Harding Academy of Memphi has its dedication and open house ceremony last Friday evening at eight o'clock. A crowd of former students and friends was present.

Located at 1000 Cherry Road, the campus occupies a 56-acre site which was once part of the King Estate. The King mansion is being restored to house the Graduate School of Bibl, and the Academy will include plans proposed for the Academy.

The Academy also is planning a new dormitory and a new auditorium. The Academy also plans to include a new auditorium and a new classroom building.

This structure was built at a cost of $150,000.

Still Under Construction

A complete plan for the new dormitory and auditorium will be ready for use in the fall. The new dormitory will be a 12-classroom elementary school building.

The Academy curriculum consists mainly of college preparatory courses and includes four years each of English, mathematics, and science. There is also a daily chapel service.

As Harding College is a selective college of study, the student body is extremely small. The student body is chosen to fit the standards of the college.

The academy's dormitory is open for the fall semester with a capacity for 120 students.

The student body is selective, and the students are chosen to fit the standards of the college. The academy is a selective college of study. The student body is extremely small. The student body is chosen to fit the standards of the college.
There is a problem in the style of parking that probably affects few people, but even so, its needs correcting. Those it affects are a group of automobiles and they, too, are responsible for its existence. The presence of this problem involves a lack of courtesy and consideration.

The problem — the method of parking near the hitching post in Irving — the solution — take enough time in parking your auto so that it will not occupy the same space. A few more people would accommodate the parking of two cars. And, in the process of parking near the hitching post, we can aim into the parking area at the proper angle.

The FANGS are effective, but other forms of the bacteria have survived. This is a good sign, but we need to continue monitoring the situation for any potential resurgence of the disease.
Former Dactylogy Club Members Work in Many Areas

By Betty Ollomost

How many of us who hear well have thought of the problems a deaf person has in his daily activities on the street, at work and in church services? Some have.

The Dactylogy Club had its beginning in 1949 when a Harding Student, Sam Austin, also attended the Arkansas School for the Deaf, started a class in sign languages. He was interested in preaching to the deaf, and interested others in this project.

Today the Dactylogy Club has as its purposes: promotion of an understanding and appreciation of the deaf, teaching the rudiments of the sign languages and disseminating information concerning the world's work among the deaf.

In carrying out these purposes it holds classes of instruction. These are divided into beginning, intermediate and advanced classes. All the classes meet on Wednesdays from 6 p.m. to 7 p.m.

The club visited the Arkansas School for the Deaf in Little Rock at least once each semester to introduce new members to that phase of work with the deaf.

August, 1958, the club helped with the first Bible Camp for the Deaf at Camp Wyndlewood. They plan to continue this work.

Interest of some of the members of the club helped to inaugurates the class, Physiology and Psychology of the Deaf. It was offered for the first time Fall, 1958. Nine members enrolled the first semester; there are six in the class this semester. The instructor is Roy G. Parks, superintendent, Arkansas School for the Deaf at Little Rock, Mr. Parks has been in education of the deaf for 32 years.

Other former members of the club are working with the deaf in education or church work, or both. Robert Anderson, a former member, wrote his Master’s thesis on Christian Education of the Deaf. Bob while at Harding preached to the deaf in the Central Church at Little Rock.

Gary Hales has been awarded a fellowship to Gallaudet College in Washington, D. C., the only college in the world devoted exclusively to educating the deaf and those preparing to work with the deaf. Hales plans to start work on his Master’s degree this fall.

Others are doing work in the field of bringing Christianity to the deaf, and helping deaf Christians to gain more from the worship and feel more a part of the congregation.

Dactylogy Club members are asking to interest others in this work. They say that if only one member of a congregation knew the sign language and took special interest in this field of that congregation the rewards will be great.

Chorus Line Provides ‘Kicks’ For After-the-game Party

Approximately 450 students attended the after-the-game party Saturday night after the Hendrix basketball game. At half-time the men’s chorus line, dressed in everything imaginable from girl’s one-pieces and leotards, to Bermuda shorts and towels, debuted with an original routine and a song especially arranged for their performance—"Those Going To Be A Party." Another first Harding appearance was ventriloquist Bob Alvarez and friend. (See picture, right.)

SPURRED ON by the announcement, the Bison went on to play a great game and defeat the Warriers, 96-82. The tall forward players were able to knock the score at 39 points added in the first half, but Harding came back with a hot exhibition of connections on field goals, most of which were jump shots, and from outside, to gain a lead and opportunity.

FRED MARSH burned the nets for 24 points and was followed by Jim City, who found the range for five quick field goals early in the second half with his unorthodox jump shot. The return of Leon McQueen to the line-up has helped insatiably, even though the tall forward isn’t quite as spry as he was before his knee injury.

BISON truck and baseball hopes greased the announcement of Harding’s AAC membership with renewed vigor and zeal for getting into condition for the nearing season. The Harding truck squad will be allowed to compete in the AAC track meet on May 9, and the baseball team will be competing for the conference championship.

It appears that the Faculty Major League basketball team is going to finish a season undefeated. The players from the other Major League teams.

Thursday was a big chance to the “Old Men” but got away, and they missed the opportunity. L.D. by tall Gerald Ebker, the Warriers hold a 9-point advantage at the half, and were leading by 4 points with only 3 minutes left in the game. Hugh Groover stole the ball and got away on some quick feet breaks to tie the score at the final buzzer. The Faculty accumulated 3 more points than their disinterested opponents in the 5-minute overtime and averaged their unlimed points by the score of 56-53.

Another close contest saw the Seals bow a comfortable lead in the winning minutes of their game with the Bruins and allow the game to be tied at the end of the regulation time. Wally Edson, and his teammate battled back for a 50-48 victory over the Seals.

THAT was the Bruins second narrow escape during the week. They had a fight, and that victory during the game. LARRY PREHILL has emerged as the new individual scoring leader. The Trojan dropped to

Hendy Evans, no. 10, displays perfect style in a short made during the game with Frost-Hardenamen. Evans has been a consistent scorer for the Bisons all season.

22 points in his team’s victory over the Bulldogs to raise his average to 20.9 points per game. Captain Allen Armstrong, who fell to third behind Jim Edson by two-hundredths of a point.

PREHILL is one of the big factors in the Trojan success record of 7 straight games. Having defeated the second place Bruins, the Trojans are almost assured of representing the Pacific League in the School Championship games next week.

THE ATLANTIC LEAGUE is still far from being over. The teams, who are currently leading the league with a 3-point difference, have to meet the second-place teams not far behind with a 3-3 record.

Perfect Style

All-Stars Chosen By Sports Staff

The 1959 Phoenix All-Stars were selected Monday by the Phoenix sports staff. The full night of basketball activities has been planned for Friday night, March 5, beginning at 7 p.m.

MAJOR LEAGUE

PACIFIC LEAGUE: Billy Marston, Joe Gant, Laverne D. Rhodes, Larry Poulos, Jim Harder, J. E. Bailey, Gerald Edd, Archon Jones, and Tom Bridges. Dale News and Ralph Austin, alternates.

SENIOR LEAGUE

The Minor League All-Stars will play the first game beginning at 6 p.m. Their All-Stars are:

Hardy Raney, Ark.

Championship Nearing Finale In Club Basketball

After two weeks of competition, the club basketball championship race seems to be between Tau, and Alpha Phi Kappa. The Mohican club, however, is still given an outside chance should other contenders fail to pull ahead. They have proceeded with comparative ease.

Scoring ability of Ben Higginbotham and Rip Winkle.

The ball changed possession from the foul line gave them 52-38. Jim Atkins usual.

Any Size shoes.

Bisons Lose to Beebe JC Indians By 64-52 in Final Game of Season

Playing on a minute court in a cracker-basket gymnasium in Beebe, a tall Arkansas State team defeated the Bisons in Harding's final game of the regular season.

The score of 64 for the Indians was 52 for Harding some rather one-sided, and is hardly indicative of the closeness of the game.

Don Moore, range Beebe star, scored 20 points in the first six minutes of play to lead the Indians to a slim two-point margin during that period. Van Moorsel scored 7 quick points to account for a majority of the Bisons' 13 points.

Hawking ability of Ben Higginbotham and Rip Winkle.

Fred Massey scores 7 quick points to account for a majority of the Bisons' 13 points. While treating back to gain a 25-17 lead with seven minutes remaining in the half, the Indians retaliated quickly to hold a 25-22 advantage with four minutes left. Bennett Wood hit a three to put the Indians' lead at 36-22. At 37 points, Dwight Smith handled the score with about a minute remaining, and again Fredy Massey maneuvered through the Bisons' defense and guided the Indians for a lay-up to even the score at 37-37 for the half.

Fred Massey finds a clear path for a lay-up shot against Beebe with 7 minutes remaining in the game. Beebe was able to break the Indians' defense and guide the Indians' defense.

The Bisons fell to Beebe by a 54-42 margin. Joe Gardner, Richard Carson, and Jerry Erwin. Gardner drove through the weak T.N.T. defense numerous times for easy layups.
