With the Foreign Ministers conference less than a month away, Dallas is back in Walter Reed. It looks like Harry may offer a plan for ending the fighting in Suez before going to Geneva. High in the Himalayas, the terms of a peace agreement have been reached. This time the villain in theater is being escaped from, and India and the revolt is being thwarted. Germany's ten-year bellicose is retreating to the cab. Konrad Adenauer is running for the German Bundestag. The issue is to be on the ballot. Several million dissidents: the unemployed.

From Wall Street to Santa Monica, the country is now crank­
ing along in a swiftly-cracked economy. Economists predict that millions of the unemployed will be unable to find work.

**SA Members Attend State ASGA Meeting at Ark. State College**

Four members of the Harding Student Association attended a meeting of the Arkansas Student Government Association last week. The meeting was held at the Arkansas State College and was attended by representatives from each of the state colleges.

The Harding representatives arrived at 6:30 Friday afternoon, registered, and then attended meetings and discussion groups. From these meetings they gained ideas on the administration of state government as well as many new ideas for possible ap­pl ication here.

Two main discussions Harding participated in were the budget, tax, and finance problems and the studies association and bringing freshmen into closer acqui­sition with the school.

Alumni at the meeting were also made up of five Arkansas colleges. This was the first year in which Harding alumni have attended the meeting.

Those attending were Gary Ackerman, Bob Shively, George Clay­pool, and Kirsten Christensen.

The Freshmen Take Over

Next week's paper will be written and edited by the Freshmen. No, the Bison staff isn't giving up control. In order that the freshmen may become better acquainted with the journalism, the regular Bison staff steps aside for one week each year to let the freshmen take complete charge. The regular operation of the paper is important, and we will later take regular staff positions on the school newspaper.

We will also work a week of hard work for the freshman staff, but there will be a definite feeling among the ones who don't control the copies starting off the press next Thursday.

Good luck, freshmen!

The Political Front

Profit in Red Trade

By KELSO WATERS

Communication students enter a U. S. daily.

This propaganda is directed at every American. Youth and national groups are special targets.

The Communists are doing everything possible, regardless of time, at effort to win friends and influence people. They seek to infiltrate every principle of justice, honor, and freedom and try to stop by some means to accomplish such goals.

The influence of Youth

A Communist-made scientific laboratory equip­ ment is in the U. S. today. Over 45,000,000 worth of equipment has been brought to the country.

The equipment is of high quality (in what?), it is cheap. So that it may sell over 25 per cent less than American equipment.

The equipment to do this is to "educate" the country by means of political, religious fanaticism, or the dollar. The religious fanatic: I'm the American! We will sell our souls for the dollar. The religious fanatic says: America has never been beaten and never will be beaten. The big businessman: Capitalism is the only moral economic system. The religious fanatic: I'm the American! We will sell our souls for the dollar.

Youth and national groups are especial targets. Communist microscopes, projectors, and slide projectors are used in high schools and in U. S. colleges.

We will have to help "educate" American youth.

What will the youth think when they see the Red trademark on their equipment? What will the teachers of the American youth think of this manufactured Red influence, business, or government? Can this Red scientific equipment shipped to the U. S. have any constructive purposes for American freedom, law, and free enterprise? This est­ rate equipment will continue to pour into our country unless our government stops it. Will it help our business? Will it help our labor? Will it be right to sell this product, in ga­ ing in the Red trademark on their equipment? What will the teachers of the American youth think of this manufactured Red influence?

There is a tendency for any organization of "sore-heads." We feel sure that any good, for-November broughm, our country. Another: we won't go to school with a nickname! Such provincial accomplishment displays a complete lack of tolerance and manifests itself in many areas of human contact.

Also, there are attempts to stir up and circulate false facts, ideas, and people is this process.

It is true that the world is full of such people; learning something worthwhile from every other man is the best way to get what you want.

It will be over time. Then we will be over time. Then we will be over time. Then we will be over time. Then we will be over time. Then we will be over time.

Then we will be over time. Then we will be over time. Then we will be over time. Then we will be over time. Then we will be over time. Then we will be over time.

The inherent difficulty lies in the arbitrary combination of ideas that make up the cartoon. The political reactionary encourages trade and cooperation with the foreigner, but he is a man of no feeling of facts and is an obstacle to progress. He seeks to distort propaganda in order to discuss with you the aspects of the most important problem.

The problem is with the body, the spirit, and we feel a justifiable interest. It is very hard to say what a man is feeling, and no one will ever know the answer to that question. It is not possible to discuss with you the essence of a man.

Professional communication training has always been taught in the Bison regarding SA activities. Have you ever heard anyone say:

"I'm an American! We will sell our souls for the dollar."

Danice Nelson Weds Keith Boler
In Evening Ceremony on April 4

Miss Danice Gail Nelson became the bride of Reginald Keith Boler, Saturday, Apr. 4 at 6:00 p.m. in the home of Jack Cose in Texarkana. The double ring ceremony was solemnized by William L. Morgan.

The bride is the daughter of Mr. and Mrs. Leroy Nelson of Hinton, Texas and the groom is the son of Mr. and Mrs. V. J. Boler of Mammoth Springs, Ark.

Miss Nelda Joan Walter was maid of honor and Cordell Bagwell served as best man.

A weekend trip to Petit Jean State Park followed the ceremony. The couple then resumed their studies at Harding College.

After graduation this May, the couple plans to attend the University of Arkansas in Fayetteville where Keith will be entering a teaching assistantship in zoology.

Carole Thomas Heads '59-60 Home Ec Club

Carole Thomas, president of the Home Economics Club met Tuesday, Apr. 7, in the Seminar room of the library. The officers for 1959-60 were elected.

They are Carole Thomas, pres.; Rita Max Weatherly, vice-pres.; Betty Waterlemon, sec.; Ruth Buchanan, treas.; Pat Bitherlin, hist.; and Sarah Baldwin, alt.

Carole Thomas, state president, gave a brief outline of the State Workshop program and the various committee chairmen reported on the progress they had made.

Following the business meeting Pat McKay Hughes, hostess for the meeting, was in charge of a program which dealt with the new books that the library has recently purchased in the field of home economics. Minnie Teshik, Linda Crews, and Pat Buchanan gave three book reviews. Books reviewed were 'How To Be a Master of Entertaining' by Elsa Maxwell, 'Dine Well on a Dollar a Day' by Bea Davis, and 'The Complete Book of Absolutely Perfect Housekeeping' by Ellen Smith.

Mrs. Elaine Thompson inducted three seniors into the American Economics association. The new members are Sandra Phillips, Janene Bolen, and Martha Cross.

The next meeting will be Wednesday, May 6, for graduating seniors only.

Della Iota Members Camp Out Overnight

Sunday, Apr. 5, the Dellas camped out at the club house, which is located in the mountains, 15 miles from town.

At sun rise, they sat breakfast around an open campfire. When the last of the food had been eaten, the Dellas headed through the woods to the cliff that overlooks a creek. Much to the surprise of the followers, an old moon-cow still was discovered nestled in a grove of trees by the creek, not far from an old corn field.

The following night, the Dellas went to the club house for their regular meeting, which was followed by a winner remont. Those attending were: Ron Butterfield, Willis Cox, Ron Moen, Bill O’Daniel, Bob Dales, Norman Grissom, Gene Stites, Mary England, Jerry Wooten, Jess Mosley, and Harry Olow.

Frater Sodalis Elect Leaders for Next Year

At the last club meeting of the Frater Sodalis social club, new officers were elected. They are: Ralph Graham, pres.; Carl Chatham, vice-pres.; Bob Allen, sec.; Jerry Barber, treas.; and Oldie Cleveringa, rep.

In addition, it was reported that with the election of their new officers, the Fraters fraternity expect to have one of their greatest years next year.
Maypole Winders Practice Early To Perfect May Day Presentation

At six o'clock each morning, 32 sleepy girls stumble outside; their objective— to practice winding the Maypole. These girls were selected as Maypole winders from each of the women's clubs.

May Day, an annual event sponsored by the 2a Co. Jr club is under the direction of Mary Redwine. Festivities are on Friday, May 1. Highlight of the activities will be the crowning of the May Queen, who was selected by secret ballot by the student body.

Vanderpool Voted New Sub T Skipper

The Sub Ta have a new skipper. The new crew leader is Roy Vanderpool. Vanderpool was unanimously elected and inaugurated Monday night, April 5. He is succeeding senior Jack Baldwin who has led the pack since last April.

The club met last Thursday at the home of Admiral Cliff Gouras for an informal ice cream supper. The ice cream was supplemented by hot dogs, cookies, and snacks to the hunger of the club's varsity runners. Colonnade entertainment was provided by various persons whose deficiencies and deficiencies had gained the special attention of the wisest element of the group.

AEX To Have Stag Bee Rock Expedition

The AEX club members and their dates, will go to Petit Jean May 4, for their annual spring outing.

A stag outing to Bee Rock is planned for Sat. night, May 18.

P.E.S.E.N.W.B. were a portion of the group that tied the knot for Q-T.S.-E.-A.-D.M.-X-S. (Bob Jones) and R.Q.-B.-T. X-E-A-E-J (Pat Fours) in the A-B-C wedding part of the entertainment at the party. Attendence at the left are C-V.-W.-E-C (Dave Meadows) and M-V.-W.-T-Y (Len Simmons). I-T-S-G-F (Keith Floyd) officiated. Other members of the wedding cast were, maid of honor, Darla Gaster, Jan Morten (Mother), and Roy Vanderpool, the father.
Bisons Take Two; Brown Pitches First Shutout

The Harding Bison baseball team journeyed up to Walnut Ridge and swept a doubleheader from Southern Baptist College 11-1 and 18-0.

Ed Higginbotham pitched the first game allowing 5 hits and striking out 9 batters in his first win of the season against an undefeated team.

In the second game Jim Brown also picked up his first win of the season against no losses. The Bisons are undefeated in each pitcher on the staff having a complete game.

Brown pitched a complete game, allowing 5 hits and striking out 9 batters. The Bisons defeated Southern Baptist 18-0.

The old men of the faculty continued to dominate faculty play with a win over the Bisons by a score of 8-3. Hitting for the faculty was pretty well spread over the line-up. The key to their success seems to be good fielding and well-balanced hitting.

The Dodgers shut out the Cards 2-0 behind the pitching of Allen Armstrong and the hitting of the entire Dodger line-up. The Dodgers are likely to be a top contender for the crown.

The Dodgers are continuing to win the two distance events and the relays. Due to the bad handoffs have been run at track tryout, many slow times due to continuing to win the two distance and the relays. Due to the
campus, the Americans has the regular relay teams that have been able to work together and thus many slow times did to last handoffs have been run at every meet. Saturday's results
