Dear John Allen;

Sorry it has taken me so long to answer your letter, but I have been in meetings now for 61 nights with very little break between, so my mail and correspondence has gotten far behind. Closed at Dexter, Mo. with around 30 responses.

As to the place where we are going, the brochere can tell you easier that I could write it in a letter. The Church at West Memphis, Ark. where Charles Coil is preaching (about 400 members) is sponsoring us. We are in a hard bind right now though, because we must leave soon and we do not have all of our support. A couple of plaees that made promises were forced by 'circumstances' to change their minds, so we are short 50\$ per month.

I do not know the size nor the state of the church there, but I would appreciate very much if you would submit this letter (enclosed) and brochere to the elders for consideration and do all that you can to interest them in this area and encourage them to assist in this badly needed support. House rent in Sal_m on Ar_m is about 100\$ per month for less than average homes and as you know the cost of living is slightly higher in Canada any way so this support is sorely needed.

This is a very promising feild, a rapidly expanding 'boom' town in the very heart of the province. We will be sending you a monthly progress report after we arrive on the feild.

Write and tell me about the Church in Cookville, your work and your family. Come up to Canada and see us.

Push hard from where you can on this appeal. You are interested in work in B.C. I know, and we surely appreciate such interest.

Pray for us.

Yours in Him,

R. Lynn Anderson.
