Bible Building To Be Completed
By Sept., 1960, Tucker Announces

Construction recently begun on Harding's new $500,000 Bible building is expected to be completed by Sept., 1960, announced Mr. Tucker, college business manager.

He stated the building will contain seven classrooms equipped for Bible classes and six Bible faculty offices. Two of the classes are designed to hold 150 students, while the remaining five, containing 20,000 square feet, will be laboratory rooms and will also include a basement area.

The building is being erected east of the Administration building.

Eugene Jemison Introduces Lecum Series
With Graphic Arts Lecture

The 1959-60 Icym series begins Tuesday, Oct. 6, at 8 o'clock when Eugene Jemison gives a lecture on "Graphic Arts Today." Jemison, who is a member of the faculty of the Kansas City Art Institute, is a notable painter and printmaker. He has done work in the development of new printmaker. He has done work in the development of new:

- Folk themes are the subjects of his 61st birthday. Mr. Lyles was master of ceremonies at this event.
- "Graphic Arts Today," Jemison will be on campus all day Tuesday to discuss his work with interested students and faculty members.
- Twelve programs, four of them college productions and others by professional groups, are now planned for the Icym series.

Chorus Organizes For Fall Semester

Sixty-nine students have been notified by Christian professor, students to lead yalla at college football that should be in track at 5 p.m. in the Bison office.

The chorus plans to make a 11 day tour beginning Nov. 27. They will perform for 1500 people at all Bison home football games and at the opening and closing of this tour, they will be a benefit twin musical exhibition by Jerry Stone, Harding.

By this time those of you who are attending Harding University may feel as though you are a part of the peculiar atmosphere that is prevalent to this institution. At least you do in this case. Since the day of your registration as a student you became a representative of an institution that has a unique environment, which often results in a canker of traditions and modify and revitalize old ones. It is the presence of some of their sons and daughters in year to help solve the problems of an expanding education and loyalty to their alma mater.

The presence of some of their sons and daughters in year to help solve the problems of an expanding education and loyalty to their alma mater.

In this column. It will appear monthly and the authors will alternate between myself, Pat Fournier, and John Lau. We will attempt to include some of your comments and interest and evaluations of lyceums. Speaking of lyceums, we have an excellent program this year.

The first of these, "Charley's Adventures In Sports." Those appearing in the comedy department this year are: J.C. Wise, Shamul Inesino, jestuonnnag, Grace Davis, Chris McCray, Edna Knore, Clayton Jor, Bob Tucker, and Chris McCray. We had much pleasure.

What has a bout as much chance to be a Christian's life should be one of service to others, of compassion and understanding - a path.
Cheering competition produces exuberant enthusiasm on the part of two freshman boys in party games planned and supervised by leaders in the Student Association.

Refreshment hungry students gather around Cokes and cookies provided by the Student Association for the occasion. More than 800 freshmen and new students attended the party.

Cokes in hand, new students gather in conversational groups in the skating rink area of Rhodes Memorial Field House. Enthusiasm and spirit was prevalent as freshmen got acquainted.

Big Sisters Aid Girls
Girls making up the Big Sister group gather for picture in the Patti Cobb reception room. Those assisting new women students in getting settled into college life, pictured from 1. to r. standing are: Joe Covington, Anita Hines, Jane Latton, Brenda Seastraunk, Peggy O'Neal, Ethel Klein, Norma Thomas, Elizabeth Bezen, and Beverly Gatlin. Seated from 1. to r. are: Barbara Gleason, Sylvia Johnson, Lynn Merrick, Claudia Shewmaker, Gaylon Bach, Lois Cobb, Gerry Stone, Darla Gateswood, Carolyn Hall, Joye Woolfield, Gwen Combest, and front center, Georgie Claypool. Not pictured are: Sally Hinds and Juanita Lawrence.

Freshmen Women Find Big Sisters Helpful In Meeting College Life

Twenty-three Big Sisters have had a big role in the lives of freshmen girls for the past three weeks. Each new girl was welcomed by her Big Sister who helped her settle in her room and get acquainted with the campus.

Every year Mrs. Inez Pickens, Dean of Women, and the directors of the women's dormitories select several girls to serve as Big Sisters. Usually those girls who are chosen to work are sophomores because they best remember how it feels to be a freshman. Three girls were in charge of assisting transfer students.

Each Big Sister corresponded with her Little Sisters during the summer, giving them an idea of life at Harding. After the new girls arrived on the campus they and get acquainted with the campus. Mrs. Inez Pickens, Dean of Women, and the directors of the women's dormitories together in the interest of making Harding a real home to the new girls."

If you are ignorant, inquire; if you stray, return; if you do wrong, repent; and if you are angry, restrain yourself.

If you pursue good with labor, the labor passes away, but the good remains; if you pursue evil with pleasure, the pleasure passes away, but the evil remains.

Beautifully preserved, the 1959 Dale Carnegie Course has developed into a vital part of every student's educational experience. It has been an important tool in the development of leadership skills, team building, and personal growth. The course is based on the principles of Dale Carnegie's book, "How to Win Friends and Influence People." It teaches important concepts such as effective communication, positive thinking, and the importance of good humor.

The course is designed to help individuals develop the skills necessary to succeed in both personal and professional settings. It is an investment in your future, helping you to communicate more effectively, build better relationships, and achieve your goals.

In 1959, the Dale Carnegie Course was first introduced, and it has since become a staple in the development of leadership and communication skills. It is taught in over 100 countries and has helped millions of people improve their lives. The course is designed to be interactive and engaging, with a focus on practical application.

The Dale Carnegie Course is not just for professionals; it is for anyone who wants to improve their communication skills and build better relationships. It is an investment in your future, helping you to communicate more effectively, build better relationships, and achieve your goals.

The course is divided into 12 sessions, each focusing on a different aspect of communication and leadership. The sessions include topics such as self-confidence, effective listening, and teamwork.

The Dale Carnegie Course has been a leader in the development of communication and leadership skills for over 60 years. It is a powerful tool for personal and professional growth, helping individuals to become more effective communicators, leaders, and team players.

Enroll in the Dale Carnegie Course today and take the first step towards developing the skills you need to succeed in life and work. It is an investment in your future, helping you to communicate more effectively, build better relationships, and achieve your goals.

cause of the jet age, the guided born. At the time of the child's vision. Her world consists of a small eight by fourteen room with a bed, rocking chair, straight back chairs, table, the road about a quarter of a mile away; cars passing occasionally down the street. Frankie has come to feel very much at home on the farm. Five years after coming to the Old Folks Home Frankie became a Christian. Since that time life has held much more happiness. During her twenty years at the home she says that the big event of each week has been on Sunday afternoons when "the young folks from Harding come over here to worship with me. I love to sing with them and hear them sing. I don't know what I would do if they didn't come out." She stated that she has gotten to know hundreds of the students over the years. Students, too, remember her affectionately as she has not only taught them to read, but has been an inspiration to many over the years. She never complained of feeling left out, but on the contrary, always remarks that she is quite well when asked as to how she feels. "Read My Bible" When queried about what she does with her time now that she isn't able to work, Frankie replies, "Oh, I read my Bible two or three times a day, do a little patchin' now and then, and I listen to good preachin' on the radio, but I don't listen to the radio much." Although there are twelve other old people at the home, Frankie sees little of them. The only entrance to her room opens onto an open back porch and for the past twenty years to worship and visit with her and other occupants of the Home each Sunday afternoon.

Softball - Football Evaluation

The Way I See It

By Ed Higgins

A new crop of promising freshmen and a few upsets have thrown the intramural softball and ragtag football leagues into chaos. The batters have thrown the intramural softball into a new dimension, making what might be an exciting season.

The Ragtag Football League

The Ragtag football league will offer another interesting season.

1. Indians - Andy Stotts, Harold Treadway, Harry Adams, and Jimmy Thompson have size and speed. They will make the championship race very interesting.
2. Browns - Ed Crookshank, Jim Hooper, and Chris Dean to depend on. If some key freshmen come around, they could walk away with the title.
3. Colts - Dave Meadows, J. Q. Smith, and Leon McQueen, with size and speed, will make the championship race very interesting.
4. Rams - Brad Smith, Leo Mayfield, and hard-hitting Ray Raymond. They add to the possibilities.
5. Bears - Bud Grady, John Davis, and Mike Montgomery, and Bill Grady do a good job for the Bears. With a little depth and few breaks the Eagles could pull some unexpected upsets.

In ragtag, the faculty will have an even greater edge. With Ken Kaufman, and Kip Perry added to those already mentioned, it looks as if they might be in for an undefeated season this year. Because they are not eligible for the championship, however, no further mention will be made of them.

Since early season predictions are always in order, and since everyone can pick the winners, and since everyone else who tries is crazy, here is the way I see it.

Softball

1. Orioles - In Archie Iden and Tom Finley, the Orioles definitely have the strongest pitching on the field.
2. Indians - Andy Stotts, Harold Treadway, Harry Adams, and Jimmy Thompson have size and speed. They will make the championship race very interesting.

Starting off the "ragtag" football season with a bang, the Colts and Browns brought home the bacon last week. The Colts, led by the shifty running of John Allison Drills for Pass Defense

Coach Allison shows the men here it's done in preparation for Harding's first game with Arkansas Junior College October third.

Freshmen Fall in the Final Round With Faculty Winning Softball Title

Harding's Faculty won two games in as many days to win the annual class softball tournament. The Faculty beat the Seniors 6-1 on Friday, and on Saturday Bob Meyers was called on to beat the Freshmen 8-2. The Seniors reached the semi-finals by winning over the Juniors 7-2, and the Freshmen were in the finals via a 16-2 romping of the Sophomores.

In the Senior-Junior game the steady pitching of Archie Isom and the balanced hitting of the Seniors gave them the win. Ed Hightower, Ed Higginbotham, and Bennett Wood each scored two runs for the winners. Johnnie Bryant's triple and single gave them the victory.

The championship game between the Freshmen and Faculty was again highlighted by the first pitching of Meyers. He held the Freshmen to two hits and a single run, making a total of one run and three hits in 1.4 innings in the two final games. Meyers struck out 14 of the 27 Freshmen he faced in the championship game. The Faculty moved in the first on Jimmy Allen's double, an error, and Tom Lon­don's single. They added three more in the third on two walks and Meyers' booming homerun.

Meyers' single and three free passes added two runs in the fifth. A walk and Allen's single, along with Meyers' third hit of the day, added two more runs in the seventh to wrap it up for the Faculty.

Sports Talk

By JIM BROWN

Another great night will be reached in the annals of Bar­
ning athletics Saturday night, Oct. 5. Having one of the best intra­
perial sport in the nation in the backdrop of its program, and having intercollegiate basket­
ball, track, and baseball for two years, Harding now has the added

spice of spirited intercollegiate competition in football.

Everyone is eagerly awaiting the first game which is only two days away. The preparation began Sept. 10, with former Oklahoman University star, Carl Allison as head coach. ably assisted by Hugh Groover and student coachees Dick Johnson and Rayburn Knight.

The Bisons first attempt at college football this year came in a practice game with Hendrix College at Conway last Thursday night.

The Bisons, although defeated 21-10, showed flashes of real po­
tential. With fiery Lewis Walker at quarterback, Bill Treaday at fullback, Ken Cottrell at left-half and tough little Jerry Mize at right half, the Bisons have plenty of speed which can make up for lack of size. Outstanding players of the night were Ken Cottrell, who moved the Bisons' lone touchdown, an 83 yard sprint around the right end, and the defensive play of Jerry Mote who was an athletic sensation Saturday night. Old Darrell Porechow and George Dansen displayed outstanding line play.

New officers were elected for the pep club last week. Ben Combs, the new president, an­nounces that the pep club expects a big year and wishes to solicit the help of everyone in school to make it a success. Other new officers are, Wayne Galther, vice pres., and Beverly Galvin, secre­tary. The pep club is a necessary part of athletics so let's all support the Bisons in a big way.

Mhohicans Anticipate Year's Sports

On Monday, Sept. 21, the Mohican Social Club held their first meeting of the fall school year. Margie Clark was chosen to be the new president of the club—Miss Clark is a Junior from Hope, Ark., and is a member of the Tri Kappa Social Club. She has been on the executive board of the state Sigma Sigma, and last year she was both party chairman and queen of the sophomore class.

The Mohicans, the 1959 inter­
mural Athlete of the Year, was chosen as the captain of the club's softball team in the forthcoming tournaments. Little Charlie Baldwin will take charge of the cheerleaders. He and the other members of the tribe anticipate a successful year under the leadership of Dean Frater Stinson and Dean Kennedy Pinn, the club sponsor.
