Space Age Affects
Chorus Tactics
Or Antics"

By Sue Vinther
You have heard of red stops, lunch stops or program stops? Harding's traveling chorus of 12 is now discovering the full meaning of this insinuation of our world:

Thanks to the space age and one of the illustrious former students, much of Harding's faculty, including our choral director, Dr. David Parks, has gone on a health crusade. The victims of this food are the chorus members, who twice daily unplug the box, watch it drive the road, and then test its fuel. Naturally this always happens in a town, whose citizen stars and register various reactions. Ask Ginny Orne how a lady reacted after asking where we were running and she replied, "I haven't time to tell you... you have to keep going!"

Ask Bettye Ritchie and Linda Lucas if they plan to go into show business missing their small change. Their concert events have been very pleasant. Or ask Jeannette Baal if she would like to go back to the Air Forces Academy—millions of dollars worth of grounds and buildings and 1,500 cadets! Thanks to Dean Priest about the ping-pong game that raised that "goose-egg" on his forehead. Or ask any of our chorus members if they plan to stay at 5,000 feet fast above sea level without air conditioning.

Some of the visiting teachers were kind enough to write at the same time, the alumnae have been breathing, and we will be coming back with pictures even if we do have to hang out the windows of the plane to get them. But we can't bring any snow—and that's why we are on a breathless experience!

The space age has brought a new dimension to our education. As always, performances are indescribable power and sensitivity. The last time I saw it, it was an unforgettable experience! If you pursue good with labor, the good remains; if you pursue evil with pleasure, then the pleasure passes away, but the evil remains.

Twilight program is in Wiktoria, Arkansas. The concert will begin at 7:30 P.M. with SC Movie for the first time. The concert will feature the film "Night at the Movies." The concert will begin at 7:30 P.M. with SC Movie for the first time. The concert will feature the film "Night at the Movies."

Mornong dehivtions have been re-initiated and are a welcome refrain. When we away from campus, we don't forget to pray. We have memorized as polar bear survival and send the message to others. We have not been asked to have the records on our so long ago.

Then we did full evening per­formances in Dubuque and Al­bany, and Wednesday morning in the town of our birth, Independence with Confederate in Independence with our young sister college in Dubuque. The concert was received with enthusiasm and appreciation.

The people of this country are a bit odd in that they all seem to love outdoor activities. In Arkansas, we wear all-weather green jackets. I think the green jacket was all-important in Arkansas. The color was a little too much, but the bright color was something they all considered to be an inferior being and not permitted to be seen in public. Therefore, I have made a great sacrifice to the nation, and I believe the Arkansans are glad they have me.

We don't know who should instigate a movement for the naming of these buildings, but probably the Student Council would be most likely on campus to get it underway.

Are You A 'Joiner?'

There are some on our campus who are eager to enter almost all extra-curricular activities. They join several clubs, compete in athletics, and maintain a rich and complex social network. However, there are several who have merited such devotion through the school. Therefore, I have decided to submit this editorial, not to submit names for consideration, but to offer an explanation for the naming of the buildings mentioned.

I hope Sabolkey makes this free throw. Coach seems to have something on his mind!

Seniors Down Faculty 26-7; Even Four-Year Flag Football Series

By Jim Brown

The mighty seniors evaded the series with the faculty in class flag football at two championship games each in the last four years. The faculty fell to the terrific upper senior team to the tune of 26-7.

Off last week the seniors came off with Bill Ray Smith.

Of Ed Hightower and the passing of the sophomores came back to down the faculty and gain the title.

In 1956 the faculty won the game 36-26. Cross Country Winner Dick Heath and George Dumas for their part in the senior victory.

Bisons Bowl To Hot JBU Eagles In Thanksgiving Day Season Opener

Playing before an overflow Thanksgiving Day crowd which included many visitors and alumni, the Harding Bisons were defeated in their first game of the season by the John Brown University Golden Eagles. The final score was 66-60.

With Gerald Casey starting off hot for the Bisons the score of half-time was 33-28 in favor of the Eagles. The Bisons ran into a very cold streak immediately after the half-time intermission and the Eagles pulled away into as much as a seventeen point lead at one time.

Coach Groover still trying to find a clicking combination and substituting freely, the Bisons never really got back into the game.

The Eagles were led by Speedy Howard who by using jump shots from all over the court was able to rip the nets for a total of 25 points. Ten of these came after half-time when the Eagles pulled away for the victory. Julius Rossow was second top scorer in the game with 13 points of which six came on free-throws.

Freshman Steve Smith from Newport led all Bison scorers with four free-throws and field goals for a total of 11 points. Captain Leon McQueen had 10. The Bison scoring was very evenly distributed with twelve different men doing the scoring. The team was very cold from the free throw line making only 3 of 42 for a percentage of only 68.

The Eagles hit only 60 per cent with 24 out of 40, but they hit five free field goals.

The Bisons have a return match with the Eagles at Blossom Springs on February 1.

Cross Country Winner Also Top Sit-up Man

Harding's intramural program has just completed the first in its series of "up" contests. These include push-ups, sit-ups and chin-ups.

Bob Wallace, who placed first in the cross country run, has also won the sit-up contest with a total of 1,400 sit-ups.

Thirty-one men entered this contest and the second and third place winners were Larry Cherry with a total of 1,319 followed by James Heath with a healthy 1,278.

We at Harding believe Ken Vetter, who graduated last year, holds the national championship in sit-ups with an almost unbelievable 5,000. His nearest competitor seems to be a man from the United States army who claims his championship with 3,700.

The game of basketball has certainly changed in the past 20 years, and all the seminars and games of today are growing taller than all the seminars and games of the past. As a result, there has been a greater emphasis on the different methods used in developing jumping ability. It is vital to know that the teaching of this part of the game is not very important.

**Road Trip Nets Bison Victory Over Lions; Lose To Hot Wildcats**

By Jim City

The Harding College Bisons returned to Searcy Tuesday after a three-day road trip, with lots of experience and their first victory of the 1950-51 season. To date, they stand with a 1-2 record.

In Saturday night’s game with Bethel College at McMinnville, Tenn., the Wildcats overpowered Harding with a hot scoring surge in the third quarter. Bethel, behind the shooting and floor work of senior guard La Verne Garner, swiveled a two-point lead at the half-time into a 90-72 victory. Garner netted 36 points for the victors, is currently one of the top scorers in the NAIA ratings.

The Bisons went to Smith Chapel to face the Lions in an earlier game. In a battle of two 9-0 teams, the score was 91-72 in favor of the Lions. Leading the Bisons were Leon McQueen, veteran senior forward, with 17 points.

In a pitched battle at Henderson, Tenn., Monday night, the Lions overpowered the Bisons 70-62. Freshman-Hardeman College, 70-72 at the end of the first half due mainly to the sharp shooting of McQueen and Brinkfield.

After the intermission Harding took charge of the game only seconds of playing time remained when‚ perhaps this reaches the end. Being a key block by Leon McQueen and Brakefield. The final score was 72-71 with about one minute left on the clock. The Bisons took the lead and with about nine seconds of playing time remaining Jim City collected two charity tosses to tie it away for the Bisons 76-72.

The President, seeming to shake off the lethargy shown in an earlier defeat by JBU, played good, spirited ball, but just couldn’t contain the Bethel offense. Top scorer for the Bisons was Leon McQueen, veteran senior forward, with 37 points.
