Group To Attend Forensic Tour in North Carolina

Five Harding debaters will accompany the debate team of Winston Salem, N. C. to the Forensic Tournament. The team is planning to attend the first five-day tournament which is being held at North Carolina State University.

The struggle between these two trends seems to be the desire of the American people to increase the growth of the free individual and the desire of the government to maintain order.

The next issue of the Bison will be on the road.

Springfield, Ohio

Dr. Robert Hinnant, the only man to have won three national championships in track and field, is the new series director for the 11th annual track meet at the University of Illinois.

Dr. Hinnant, who was selected to head the Illinois track meet, is a native of Springfield, Ohio, and has been associated with the University of Illinois since 1945.

He is the son of Mr. and Mrs. J. C. Hinnant, who have been residents of Springfield for many years.

Dr. Hinnant has been associated with the University of Illinois since 1945 and has been associated with the University of Illinois since 1945.

Dr. Hinnant has been associated with the University of Illinois since 1945.

Dr. Hinnant has been associated with the University of Illinois since 1945.

Anderson, Maple To Exchange Vows

June 2 In College Church Ceremony

Mr. and Mrs. James R. Wil- liams of Prague Road announce the engagement and ap- proaching marriage of Mrs. Will- liams' daughter, Miss Dorothy Anderson to John M. (Mike) Maple son of Mr. and Mrs. J. H. Maple Jr. of Rags, Kansas.

The bride-elect, an honors gradu- ate of Skarchy High School, is a senior at Harding College. In ad- dition to her studies in Ele- mentary and Music Education she has been active in the Cheer- led. A Cappella Chorus and is a member of the Beta Theta Gamma Social Club.

Mr. Maple, also a senior of Hardin, will graduate in June with a major in Political Science. As Harding he has been active in many phases of student life in- cluding the Choirs, A Cappella Chorus and treasurer of the Stu- dent Association. He is a mem- ber of the School of American Studies, the Lambda Sigma Social Club and is listed in Who's Who in American Colleges and Uni- versities.

The wedding will be an event of June 2 at the college Church of Christ.

Pintos vs. Hackneys

Thursday night the Pintos played Glenda Holder's Hackneys. Scores at the end of the first half was 5-5 with the Hackneys leading. Referees Joe Shircliff and Jackie Hardin, who was filling in for Irma Haney, called time on the contest at this point, while "Tootay" Mayer scored 34 for the Pintos.

Pintos vs. Percherons

The Pintos second game was with Margo Hayes' Percherons. Lolita Meredith's "quick eye and fast hand" was a real asset to the Pintos, especially with her steals. However, Linda Daniel, Carol Watson and Leminda McDougel worked well for the Percherons in keeping the Pintos to only four points in the first half. But that was not enough to break the lead, so the final score was 25-19 for the Pintos.

Thoroughbreds vs. Morgans

Lynsea Gomma scored ten points for the Thoroughbreds during the first half, while Joyce Westbrooks sank three for the Morgans. The fourth quarter looked brighter for the Morgans as they trailed by only two points, with tall and capable Kathy Johnson doing some real running and shooting to score 14 points for the Pintos while playing the whole court. Johnson and Irna Howard scored seven for the Shetlands. However, Lynsea Gomma's second quarter point lead was too fast for the Shetlands. The Thoroughbreds ended with only a two point lead, 10-8, to win the game.

Arabians vs. Shetlands

The Arabians made a lively start by scoring 20 points in the first half compared to the Shetlands thirteen. Denise Poland ran unopposed to score nine points for the Shetlands during the first quarter before it was kept in for a shot, leaving the Shetlands to struggle during the second half. Barbara Durlin added three points for the Arabians the second half, and Linda Ringeisen, with two points both helped a victory. The final score of 28-15 high scores were divided among the Arabians. Carol Richardson scored eight and Barbies Darling scored 12.

Hackneys vs. Palominos

Half time score was 8-8 for the Hackneys and the Palominos. The Palomino forwards with the good guarding of Lolita Meredith and Dennis Lamb were able to grow six points the third quarter. But "Tootay" Mayer and Jindee Neely together lowered the lead by three. During the fourth quarter Jindee Neely came through with four more points for the Hackneys, but they were matched by Lynsea Prysock of the Palomino. Two more points were added to the Palomino score by Hannah Patterson giving a final score of 20-15 and victory for her team. Lynsea Prysock was the high score player for the Hackneys, with Jean Thompson scoring 10 points for the Palominos.

Morgans vs. Percherons

Sarah Brown led the Morgans to a hard won victory over the Percherons with only a two point lead. Handicapped by a jammed finger, Margo Hayes led both teams with 11 points, and was only 1 out of 5. On the Morgans some good competition. Helen Green and Glenda Payton's steals and rebounds kept the Morgans to one or two point lead most of the game, but the Percherons forwards wasn't enough to raise their score.

Pintos vs. Shetlands

Blythe Johnson did some real running and shooting to score 14 points for the Pintos while playing the whole court. Johnson and Irna Howard were too fast for the Shetlands guards; their team led throughout the game. Score at half time was 11-4 with the Pintos on top, but the gap was widened even further to give a final score of 26-17.

Thoroughbreds vs. Arabians

The undefeated Thoroughbreds were also favored to win with only four players, but made a good showing against the unbeaten Arabians. The Arabians led by eight points at the half time, but the Thoroughbreds rallied to score seven points the third quarter bringing the lead to only six points. Lynsea Gomma sank a foul shot for the Thoroughbreds and tied the score at 12. But Martha Benefield came back and scored a field goal for the Arabians and the two teams ended the contest with Arabians leading, 24-15.

For the Palominos, the final score was 25-19 for the Lady. Janis Neely came in third for Sub-T, in the small club 49-yard free style with 1:35.7. Sub-T was second and Pioneer last. Alpha Phi also took the 100 yard medley relay with a 1:50 yard back stroke, breast stroke, and free style. The Palominos and Sub-T had a real race for the remaining place but Pioneer's anchor man was a little quicker of hand.

In the small club leagues Sigma Tau's Howell outlanced AEX's Embrey on the breast stroke with a 29.2 swim, L. T. Beene had no trouble at all swimming a 1:17.5 to win the 100 yard free style for TNT. Embrey and Howell finished number two and three in that order. AEX's 160 yard free style relay composed of Heath, Smith, Meade, and Harvey set a new pool record of 1:35.7. Sub-T was second and Pioneer last. Alpha Phi also took the 100 yard medley relay with a 1:50 yard back stroke, breast stroke, and free style. The Palominos and Sub-T had a real race for the remaining place but Pioneer's anchor man was a little quicker of hand.

Tapered calf-length legs, trimmed with contrasting black or white braid, 2-inch outside seam. Continental front pockets, patch back pockets. Narrow belted waistband with attractive side straps.

APK, Sigma Tau

Take Championship Titles in Swim Meet

Alpha Phi Kappas of the National League and Sigma Tau Sigma of the American League won the swimming championships in their divisions.

After having the best time in all but one of the swimming events in the preliminaries APK had a close scare from the Pion­ner's last five won the last two relays for a 24-18 win. Sigma Tau didn't have as much trouble as they scored 24 points by winning four of the six events to best AEX who had 16 and TNT with 12.

Jonas Heath, who set a record in the intercollegiate swimming 40 yard free style, won the free style for APK. Dick Smith with came in second for Pion­ner. Bid Tite came in third for Sub-T. In the small club 49-yard free style Bobby Akers of TNT placed first followed by Sigma Tau's O'Dean Parker and AEX's Richard Sear­go. Burke Byars who placed third in the back stroke preliminaries over took both Dave Mead­ows and Ken Richelow to win with a time of 29.5. Sigma Tau's Jack Rhodes won the American back stroke with an easy 29.5. Second place went also to Sub-T. The big club 100 free style one of the best races of the night was the National League breast stroke in which Tom Finsey touched the wall just a split second faster than APK's Dave Harvey. Finsey showed his ability by coming back with just a few minutes rest to win the third in 1:11. Heath and Kolleman finished second and third.

Bed weather, lack of depth and the resultant sub-standard physical condition, all led up to the need to help Ouachita and ASTC defeat Harding in the first track meet of the season. The meet was held on the ASTC Bear's oval at Conway last Friday. The day started out with sunshine, but this was soon obscured as clouds and wind brought some chill to the stadium.

**Dark Horse' Anderson Takes Two Straight To Defeat Milad Hadwin For Handball Championship Title**

By Ralph Odum

Richard "Dark Horse" Anderson defeated veteran handballer Milad Hadwin two games straight to take the championship. In first game, Anderson scored first and led by a small margin until Hadwin tied the score at 9 all. Hadwin then went ahead for two changes to service, but lost the lead in a hand-braking rally by Anderson.

**Switch To Lead**

Anderson built a good margin of six points, at 27-11, but once Anderson came back strong enough to make the score 37-16, Anderson was unable to hold the lead. The score then settled to 48-44 and a tie, after Anderson picked up three more sets of points in the final game. The final score was 74-74, with Hadwin winning the championship.

**TOP SONS**

Anderson's victory brought a second straight championship to the University of Arkansas, and was the second straight championship for Anderson. He is expected to be the mainstay of the molded handball team, but should be supported by both Dishon, Bivins, and Jones, who are set out this year in order of injury at present time for Northwestern in 1958 and Joe Yarmin, transfer from the Fred-Hardman hill-corp.

**Infield Intact**

The 1958 Bear infield has returned intact, but appears to be on fire with a shattering the looks of some of the new prospects. Doug Langham has looked especially good with the glove around the keypost positions of second base and shortstop, and collected two solid hits in Monday's intraquad game. The outfield should be strengthened from among the freshmen, but given them a chance to have some real work outs. One final prospect said, "I'm sure that you're going to get on the ground, you never know where or how that ball is going to bounce and I'd like to have a good ground floor."

**Considerable Improvement**

Considerable improvement was seen in the intrasquad game Monday as they are building to get into condition for the opener. With 200 yard relay, the Herd should get into condition for the opener turned intact, but appears to be the mainstays of the mound team, and should be supported by both Dishon, Bivins, and Jones, who are set out this year to be the mainstay of the molded handball team, but should be supported by both Dishon, Bivins, and Jones, who are set out this year in order of injury at present time for Northwestern in 1958 and Joe Yarmin, transfer from the Fred-Hardman hill-corp.
