Dear Brother Chalk,

How is the work coming along ? I'm sure you are doing a good work. I see that Cliett had a meeting with you some few weeks ago.

By the way, I received one issue of your bulletin but haven't received any more. May be it was my fault for not requesting it to be sent. So if that be the case, I would like to receive it all the time. I enjoyed the other one.

Give our regards to your wife and little daughter.

Yours in Christ
