Mr. John Allen Chalk, Minister  
Church of Christ  
P. O. Box 474  
Cookeville, Tennessee

Dear Brother Chalk:

I am writing you because I know you are interested in the cottage meeting work and that you desire an effective cottage meeting program in your own congregation.

In about 60 days we hope to have ready 12 new training filmstrips designed to inspire and instruct the members in how to conduct cottage meetings. This is a most complete course on home teaching using filmstrips.

Since we are spending hundreds of dollars in the preparation I need your encouragement and financial assurance in the following way: Please check one of the boxes on the reply card and return it immediately. Satisfaction is guaranteed.

I am counting on your card especially for your order will help me get these needed filmstrips on the market. I'm sure you'll be glad you ordered.

In Christian love,

  
Julie Miller,
