Dear Brother Chalk:  

Sorry for the long delay in answering your letter but I have been out of town and since returning have been rather slow in catching up on things.  

We would prefer either an early Spring date say about the latter part of March or the first part of April or else an October or November date. June would not be a good time for us to have the meeting and August is not too desirable.  

Would it be possible for you to arrange some dates during the months mentioned above? Let us know what you could arrange and we will try to arrange our schedule in accord with your.  

Sincerely,
