Beck Slated For Guest Talk At Sports Meet

Cecil Beck

Cecil M. Beck, director of man's intramural athletics at Harding, has been invited as a guest speaker at the annual convention of the National Intramural Association March 23 in New Mexico State University.

Beck is scheduled to speak March 19 at the convention of the Intramural Directors of Arkansas and in Arkansas, on a panel the afternoon of March 23.

Beck stated that he probably received the invitation to speak at the convention because of the good job he did with the intramural program from the ACC.

Beck said this to the benefit of the administration and Dr. Roy Wellborne, director of department of physical education.

He said that Harding has developed at Harding to have a separate convention for the intramural programs. Many other schools do not have this separate convention.

The Harding intramural director stated that the meeting would consist of an exchange of ideas on promotion, growth in the various colleges across the state, financing intramural programs, student affiliation in games and other areas of intramural.

The convention will close with a football game against Rice.

Wellborne to Attend Business Conference

Dr. Roy Wellborne, president of Harding College, will attend the regional conference of the American Chemical Society, which will be held at the University of Texas at Austin, March 26.

The purpose of the conference is to explore educational possibilities in the area of business administration.

What's Brewin? - By Bill Brewer

With the gusty March winds of the past few days the new snow will be gone and snowing. A designer's battle with the weather seems to come in waves of various opinions covering the proper thickness of the floor length skirt.

It has been left up to Betsy to decide whether or not the floor length skirt will be worn at Harding. With the new snow being in spades, the students of Harding will be experimenting with the floor length skirt.

The greatest inadequacy of the women felt that the field was open for men should be mysterious, and profession by retirement or by choice.

Men and women were about evenly divided as to preference of hemline length. One-half of the female said that just below the knees was the proper length of the skirt. The other half of the women made this quite clear over the length of the skirts, with 40 percent of the students favoring or objected to the present length of the skirt.

Most of the women interviewed said they liked the shorter skirts while many of the males favored the full-length.

Honor System Rules Campus

"You are now Washington and Lee gentlemen; and a gentleman does not lie, he does not cheat, he does not steal." This is the sentence only the rules that students at Washington and Lee University in Lexing­
ton, Va., have set. It is not a pious dogma, but a solemnly but simply repeated to freshmen. During the next four years he is expected to live up to the code. The point is the word "gentleman." And, with the exception of very rare cases, he does.

Students Abide by Honor System

Continuing a tradition that dates back to the days of the Student System, this tradition has set Washington and Lee apart from all other colleges and universities. This is the most solemnly and simply repeated to freshmen. It is the rule that students accept, live by, and glory in it. This rule is the outgrowth of the Washington and Lee handbook explain the system:

"The Honor System means that students take all tests and examinations without supervision, that men can respect each other's word, that one may be sure of finding books and coats where he left them because he is trusted and that he can trust his fellow students to be the political leaders of their class. 1. The student who lacks self-discipline will wear a black hat and be considered to be a delinquent.

The above list is a selection of the faults that students are expected to avoid. The following excerpts from the Washington and Lee student newspaper, The Iconoclast, are representative of the attitudes that are encouraged by the Honor System.

level of this program is not really

a part of the meet. The students are compared with what con­

sidered as the best short skirts today. They are agreed that

the short skirts worn by Harding women were definitely

unmodest. Harding students entered the meet, and nine

received superior ratings. Students receiving superior ratings

were Jimmy Arnold and David

Finley in extemporaneous speaking, Mike Waters and Joel

Alexander in entertainment judging. Job Brewer in poetry

reading, Fred Lemon in original oratory, Ben Stewart and

Jon Farris in prose reading and Ron Wiltse in radio. Bill Short received an

excellent rating in radio, and

Monica Blanchard received an excellent rating in poetry reading.

Harding's one-act play, "Treas­

ury," also received superior rating.

Dr. Martin Cobin, associate professor of speech at the Uni­

versity of Colorado, was the profes­

sor of speech at Vanderbilt, and

Dr. Joseph E. Stapleton, Mrs. M. E. Berryhill, and

Dr. Evan Ulrey,

associate professor of this year's festival,

Male Invades Female Occupation

By Ferne galley

Harding boys who take Home Economics classes and laboratories next semester will have an unusual opportunity and a cause for celebration. Mr. Cody Godby, a second semester freshman from Sapulpa, Ohio begins his term.

While attending Sinclair College in Ohio, Mr. Harding decided food was the class for him. A catalogue from Harding encouraged his plans to become a dietitian in a big city.

An unusual appearance at Harding class for the evening where they practice in sign language. This work is carried out the evening where they practice in sign language. This work is

Mohicans

Fifteen club members, Mohicans at their banquet hall at Kelly's Grill, March 9. Entertainment provided was an entertaining speech by Mike Watters and a dramatic monologue given by Bob Brewster. M.E. Berryhill, first sponsor of the club, was honored by Mohicans.

Those attending were: Beulah Bailey, Rayna Bailey; Bob Brewster; Linda Pate; John Christiansen; Kathy Dye; Mary DeMey, Dan Dyer; Sherry Green; Bette Houlton, and Fran Shappley, Earl Shappley.

The Mohican club will continue its third function, a third function held for the skeptical male onlooker.

Cavaliers discussed their pledge week's program at a club meeting. March 5, it was decided that each pledge will be a "trooper" to two Cavaliers for one-half week each. At the end of pledge week, pledges fulfilling the requirements will be knighted by the club queen as a symbol of their new status.

DACTYLOLOGY CLUB

Six members of the advanced Dactylogy class are working with the children of Mr. Noll for their graduation program next Sunday. The group held Sunday afternoon class with members present ages 5 to 17 who have had little or no training in the art. The six are attending worship service at the Central Missionary Church of Christ in Little Rock. More are observing and learning from the interpreter who translates what is happening into deaf people's sign language. The work is "rewarding," they say.

BETA TA GAMMA

Birmingham, flowers and candles in various shades of blue carried out the "Oće in a Blue Moon" theme of the Beta Tau banquet held March 5 in the Student Union.

Entertainment was furnished by Jewell Anderson, Mary McVicker, Shirley Pruett, Sharon Reeves and Lynn Reeves. Speaks for the evening was Bob Berkey, LaNell Murry, Terry Lamb; Thompson; Ann Westbrook, Sandra son; Jo and Mrs. John Prock, sponsor.

All-Star Game Close; Team Plays Overtime

By Jim Angel

The Pacific All-Stars, who were behind in the first half 32 to 21, and trailed in the last half by 17 points in last Thursday night's Basin All-Star game rallied behind Hugh Campbell to tie the score before the buzzer sounded.

In overtime play they went on to win 70 to 66.

Glen Murphy led the Atlantic League to an 11 point lead by halftime. Ken Laird came on strong in the second half and with about 10 minutes left the Pacific All-Stars possessed a 17 point lead.

With a little less than ten minutes left in the game, the Pacific League put on a full court press. This resulted the Atlantic All-Stars who began to lose the ball against the aggressive charges of Nelson Oliver and Hugh Campbell.

As their lead began to dwindle the Atlantic All-Stars were dealt another blow when Jack Orr, their big man who had been clearing both backboards, fouled out. With about 40 seconds left Glen Murphy missed a 25 foot jump shot which would have given the Atlantic All-Stars a four point lead. Hugh Campbell dribbled the ball down the court and with only six seconds left on the clock hit a jump shot from the top of the circle which tied the game.

In the overtime the Pacific All-Stars controlled the tip and again Hugh Campbell hit a jump shot to give them their first lead, which they held for an exciting 70 to 66 comeback win.

Hugh Campbell was high point man with 25 points and was picked as the outstanding player of the game for his individual performance. Glen Murphy led the Atlantic All-Stars with 24 points followed closely by Ken Laird with 20 points.

Correction

In the last issue of the BISON there was an error regarding Gerald Mission's stipend for graduate study next year. The first year it will be $3,000 plus tuition and laboratory fees. The second year it increases to $3,400 and the third year it increases to $3,600.
