This Newspaper is brought to you for free and open access by the Archives and Special Collections at Scholar Works at Harding. It has been accepted for inclusion in The Bison by an authorized administrator of Scholar Works at Harding. For more information, please contact scholarworks@harding.edu.
The thirty-second annual Freedom Forum, conducted by the National Education Program, begins at Harding next Tuesday with a total of 200 conferences expected. The Forum, which is also held in other locations, is arranged by the Fund on the Harding campus where it was originated. It continues through April. 20.

Concurrent with the Forum, Governor Orval E. Faubus has issued a proclamation declaring the week of April 13-20 as "American Citizenship Week" in Arkansas.

To Shave or Not to Shave That is the Question

Contemplating the clean shaven of Yli Brenner as he appeared in the movie version of the "Ring and I" is Norman Tubb, Harding's hairy version of the Ring of Bayeux. The big campus question is will Norman take to the razor?

AMERICAN ROSE

High in Work

These more hardy students have recognized for their outstanding achievement in the field of science, according to Dr. Wyche Darby of Ft. Smith.

McNally has been nominated the outstanding student in Geen Anatomy for 1961-62. William Seitz of the University of Arkansas School of Medicine in Little Rock, both the freshman student who achieves the highest record in Geen Anatomy receives this award and his name is engraved on a plaque that is kept in the Geen Anatomy Laboratory. There are 110 students in the freshman class at the Medical School this year. Bill achieved this record in spite of a prolonged illness and injury that kept him from attending classes for several days.

Robert Grimes

Bryce Roberts, a 1961 Harding graduate with a major in General Science, has just received a graduate assistantship in Plant Physiology at the State University at Little Rock. He will begin work this June and his research will involve water relations and iron nutrition in plants. He is the second Harding graduate to receive an assistantship in the same field in the last two years. Jim Lovelace, a 1960 Harding graduate, received a graduate assistantship in Plant Physiology at the University of Florida. He is making an outstanding record in his studies.

C. Monroe Receives Grant

Perry Monroe, Jr., a 1953 graduate with a major in chemistry, received a National Science Foundation Research Fellowship at Louisiana State University for the second year.

Talent Show

Six Hardingites Enter AIC Show

Tonight at 7:30 the Harding Quartet and the Greene Twins will present the Spring Student Talent Show at Olds Baptist Church. The show will be a production of representatives such as the AIC which the group plans to participate. Last year, Harding received a first and a third in the talent show. The Mells-chorus won first place in the female and Paul Powers, who played the piano, won third place. The students include: Alonzo Omega, Elia malech of Olds Baptist Church.

SMEA Member Takes Office At Convention

Cliff Bennett, junior from Mayfield, Ky., was elected as one of two 1961-62 members of the Academic Standards group. Bill McFarland, men's basketball player and former captain in the AIC, was the other member elected. Bennett will also be president of the Arkansas State Teachers Association (SA) and McFarland will be secretary.

Bison Gets Wrong Kind Of Verbal Assistance

Almost every Thursday afternoon students can find copies of the Bison ready for distribution in the student center. The student usually looks through it hurriedly and then discards it.

Thoughts of Joel — Writer Discusses Student Growth

By Joel Anderson

Some students on this campus believe that the education they are receiving is not suited to their needs. That is, it is not being directed toward making them well-rounded individuals. In various roles and regulations the student body is expected to follow in order to maintain the status quo of the college environment. Is this really the case?

The students in the class are expected to be in control of the situation. Therefore, it is important to know that the student body is under good leadership. It is important that the students are not being forced to follow the rules and regulations of the college. If the students are not being forced to follow the rules and regulations, then it is important to know that they are being treated fairly. If the students are being treated fairly, then it is important to know that they are being given equal opportunities.

Religious Group Activities

By Donna Spurlock
BRITISH COLUMBIA GROUP

Seven students are making definite plans for a group movement to Gloussau Valley in South Central British Columbia to learn of job opportunities and living conditions. The group plans to go to the area and perform regular jobs while being missionaries. Some will be doctors, others teachers and businessmen. One couple plans to work full-time in personal work.

The group is spending a great deal of time with personal preparation. One meeting each month is spent in prayer.

Those definitely going to the Gloussau Valley are Ram Tumult, Karen Brownley, Traci Jenks, Alice Mills, James Beven, Betty Shawlstedt and Jack Kilgour.

NORTHERN LIGHTS

The Northern Lights group is continuing plans for the summer campaign. A list of students planning to go include Payne Purtrill, Mario Reo, Dorretta Smith, Janie Smith, Charlene McGee, Janet Welsh, Lydia Gaines, Pat Haylen, Margaret Ravilin, LaDell Murray, Martha Garrett, Panya Woodham, Charlie Thompson, Randall Terry, Wheeler Pounds, Ralph Graham, John Moses and Andy Ritchie, sponsor.

AUSTRALIAN CLUB

The Australian Club is planning the next joint meeting of the mission clubs. Also, the club is busyly planning a chapel program to be given in the near future.

Hoop Heroes are Favorite Date Bait

By Judy Evans

David Simpson andSteve Smith are strong favorites in a contest which they unwittingly entered last September. Following them closely are Vernon Rogers, Duke Jennings, and Jan Breen. By now many of you are probably wondering just what kind of title they are competing for — it's doubtful that many will be surprised to learn that this contest deals with invitations to women's club functions.

Others figuring notably in this sound round are Ben Booker, Pete Cus, Bob Chid, Ted Cottrell, Roger Campbell, Travis Jennings, Danny Thompson, and Bill Ship. Besides the ones mentioned, 460 have gone to more than one activity.

Out of twenty-one functions which have been reported to the News is interesting to note that 209 different males have been asked. Some have been invited as many as six times. There are 465 males enrolled at Harding. That means approximately 63 per cent have been asked out by a female this year.

Out of 269 that have been asked all 46 are going steadily, steadily, or engaged; four are now courting, six are not here any more; two came at semester; one is a high school student, and one is not enrolled at Harding.

The group on campus which seems to poll the most popularity is Coach Hugh Groover's basketball team. Almost all the members of his team have been invited to at least one function.

The most of the ones who have not received invitations are married. Coach Groover must be an especially adept instructor in consequences.

It would be interesting to see to whom the males are extending invitations, but immediately upon starting research, I find them to be guilty of two counts: (1) many are going stag to their functions and (1) very few of them are very different about reporting their activities to the Board. It is hard to decide which is the worse offense. From the reports turned in it is apparent that no one female is sufficiently noticeable in the lead. Perhaps it is well.

It seems strange that members of the "סטר" sex should have so much trouble with such a minuscule detail as asking one of the "fair sex" to a date. No wonder the females on campus have heart failures when they think of asking a male for a date.

One Harding senior suggested that none of the females might consider and be sure that all of the males who have not previously been asked out are so handsome as to be asked by a female this year.

Naturally the males who have not been asked out are here any more, two came at semester, and one is not enrolled at Harding.

How would you forecast your next few years?

Today, the young man planning his life realizes as never before that in today's world his own future is tied inevitably to America's future. How can he serve best?

Many college graduates, both men and women, are finding a rewarding answer on the Aerospace Team — as officers in the U.S. Air Force. Here is a career that is compelling in its challenge and opportunity. And it is a way of life that holds the unsurpassed satisfactions that come with service to country.

As a college student, how can you become an Air Force Officer?

If you have not completed Air Force ROTC Officer Training School provides an opportunity to qualify for a variety of vitally needed jobs in the Aerospace Age. A graduate of this three-month course earns a commission as a second lieutenant. Also open to college men is the Navigator Training program.

For full information — including the chance to obtain graduate degrees at Air Force expense — see the Air Force Selection Team when it visits your college. Or write: Officer Career Information, Dept. SC23, Box 905, New York 1, N.Y.

For America's Future and Your Own... Join the Aerospace Team.

Bisons Meet Reddies Here
For Contest of AIC Thins

By Mary Ann Walton

Harding's track team plays host to the Henderson Reddies tomorrow afternoon in a dual meet on Alumni Field.

The field events begin promptly at 1:30, with the running events getting underway at 2 p.m.

First AIC Home Contest

Cinder coach John Prock has encouraged students to turn out for the meet, which is the first official AIC home contest for the Bison. He recognized Harding's continual improvement and ISS-TC's surge of first-place finishes as basis for an exciting meet.

Harding and the Reddies recently met in a four-way contest in Arkadelphia, where Henderson edged a first in the mile relay, place honors. The Bisons tallied 100 points, with Harding edging Tech, 63-61, for first in the mile. The Bisons finished second in the 440-yard run in competition with some of the finest distance men in the AAC order circuit.

In a three-way meet against Hendrix and Tech at Conway recently, the Bison tallied 25 points, with Hendrix squeezing past the Wonder Boys, 72-49, to win.

Harrison picked up Harding's only first place of the afternoon with a first in the 880-yard run, and also finished second in the mile. Miller placed third in the 100-yard dash, while the mile medley foursome finished second behind the Warriors. In the field events, Simpson tied for third in the high jump.

First Win

Harding posted its first win of the season Monday by literally running away with a home practice meet against Arkansas State College, 81-54.

Miller and Prince finished one-two in the 100 and 220 dashes, while Nelson was involved with a third in the 100 and second in the 220. In the mile, Peacock, D. Brock, and Casey) posted a third in the mile medley team.

Relay Events

Harding won all the relay events. The 440 men (Jones, Peacock, Prince, Miller) had a 48.0 clocking, the 880 foursome (Walker, Prince, D. Brock, Jones) won with a 3:14.0 time, and the mile medley team (Peacock, Jones, D. Brock, Casey) posted a 3:53.6 finish. The mile relay team (Walker, Jones, Peacock, Henderson) clinched the day for Harding with a superior win, too.

In the field events, Peaco won the broadjump with a leap of 13-3 3/4, while Nelson finished close behind in second place. Lambert threw the discus 113-3 1/4 for a first place, and Bux noe Gilbreck picked up a second in the shot put. Simpson scored with a third in the high jump, while Nelson was involved with a throwover to the pole vault with a 11-0 performance.

Following the Henderson meet, the Bisons will host Hendrix on the Alumni Field oval on Tuesday.

**Sponsored by**

**Harding College's Stanley Miller broke the tape Monday in the 140-yard dash in a two-way meet between the Bison and Arkansas State College. Miller ran the fastest century of his life in 16.8. Harding won its first meet of the season, overcoming ASC, 81-54. The Bisons' next home track meet is Friday against Henderson State.**
