Rogersville, Tenn.
Sept. 16, 1960

Dear Bro. Chalk:

I believe you and the congregation there already know of the work here in Rogersville. A new building, pretty far in debt, trying to grow with me being their first full time minister. We feel that a bulletin each week will really help this congregation but I have no typewriter to cut the stencil, I can't afford to buy one now and neither can the church. I have been going to the bank and using one of theirs but we know that is not too satisfactory with them. I am in hopes that the Broad St. congregation will assist us in getting a typewriter with at least a 13 inch carriage, how about seeing what you can do along this line. Enclosed is a copy of our bulletin and getn, how about putting me on your mailing list for the bulletin.

a brother in Christ
