Hi you all:

How is everyone down there?

I might be out of sync with you there but I hope you will understand & that I'm not in the wrong.

There is a little confusion up here between Northridge & Vandavia. Vandavia has lived you & they want to know where you are here & seemingly Northridge is doing all the planning for you & we don't think it's wise.

We sure have the plans for this meeting & I sure hope it is a success.

my family would like
to know if you
what I want to know
is whether you should
put a list ^{up} of what
you want to do in 1947 if
you'll go with Northridge?
I don't want any kind
of money to go over
this. Please let me
know so I have taken
this on myself to write
to you.

Yours
