Dear John,

I know it's been a long time since we've seen one another but I do hope you haven't forgotten. I sincerely hope that all is well in the work you are striving to do at the present and that it is meeting with much success for the Lord.

I am back in the states after one year in Helsinki, Finland, spent in an effort to establish the church there. In that city I have been working with Richard Kruse and Wallice Mays whom I am sure you will remember. My reason for returning home after only one year was to be married, and my wife and I plan to return to Finland in August. In the interest of raising the needed travel funds and additional monthly support required I am planning a trip south next month. I would be much indebted to you if you would be of help in arranging an appointment to speak to the Broad St. church. I have made a tentative schedule, and I would like very much to speak at Broad St. with regard to mission work if possible on Sunday morning, July 30. I have a set of slides telling the story of the Finnish work, and would like to have an audience to see these if it could be arranged, say at 3:00 in the afternoon of the same day. I sincerely hope I am not asking too much in requesting this assistance. I do so for the sake of the salvation of Finnish souls.

Please let me hear from you regarding the possibility of these arrangements as soon as possible. Thanks so much, John Allen, and may God bless you with His direction in all things. Pray for the cause of Christ in Finland.

Brotherly,

Eddie L. Dunn
