Dear John Allen,

I certainly enjoyed seeing you and your family the other day. We want you all to be sure and stop by to visit with us when you are over this way.

You mentioned some memograph lessons about the history of the Bible that you were using in a Ladies Bible class. If you have some extra copies of that material I would appreciate having one. We are engaged in a similar study in one of our Wednesday night Bible classes.

Sincerely,

*Eddie Coates*
