Dear John:

The information you have concerning the meeting is correct. We will not have day services on Saturday.

I am looking forward to working with you on this meeting and am confident that you will hold one of the best meetings ever held here.

It will be "ok" with the Elders here if you want to stay home at night and come over each day. I will advise you as conditions arise.

Has it been planned for me to occupy the pulpit there for the services that you will be away?

With Christian regards,

Charles E. Cheatham
