Brother Chalk:

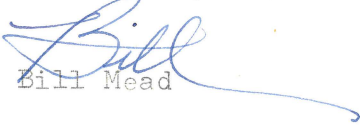

I am writing to see if your voice and physical body would stand some extra strain and stress during the meeting!

We have several in this area who work on the second or third shift at work. Could you speak to these men and their wives at 1:00 P.M. on Tuesday, Wednesday, and Thursday? Would you want to speak to the youth of the area on one Saturday or Sunday afternoon?

If you feel this would be too much on you...please don't hesitate to let me know. I have not mentioned this additional arrangement to anyone and will not until I hear from you. There will be no need of embarrassment if you feel you need to study and rest during the day. If you decide you would like to undertake this additional challenge please let me know by letter or telephone and I will see that it is well advertised!

We are praying for this meeting.

Under His yoke,

Bill Mead
