**Final Rounds Comeback Fail, Business Team Finishes 18th**

By Don Johnson

Harding’s business team moved up strongly in the final three rounds but still finished 18th out of 39 teams in the finals at Michigan State University April 14 and 15, at East Lansing.

The local entry, which fell behind in the first round and saw the situation get progressively worse, finally got the cost down and finished in the seventh round and started moving up from 27th place. Yankee Joe Boyle Is Welcome Track Addition

By Jean Flippin

Yankee No. 3, in the person of Joe Boyle, joined the ranks of the Harding College middle distance trackmen last fall and is proving to be a welcome addition indeed. A junior, Boyle transferred to Harding from Phoenix (Ariz.) Junior College, last year's NAIA national champion in track. He was voted the outstanding freshman athlete.

Boyle hails from San Antonio, N. Y., where he lettered four years in cross-country at Phoenix High School. He was team captain and set a New York prep indoor record of 4:15 miles. His best career marks are 1:32.6 in the 880, 4:16.6 in the mile and 9:13.2 in the two-mile. Last year he was consistently ranked in the national junior college mile ranks.

This is only his third year to compete in track, having limited himself to cross-country in high school.

"I guess my best event is the mile or the two-mile," he mentioned. "So far this year I haven't been able to come up to my best times in either one."

Since he did not graduate from Phoenix, Boyle was ineligible for his first semester here. He competed as an independent in the open mile at the indoor NAIA championships in Kansas City and finished fifth.

"I had a little hard luck in that race," he suggested, in what must be the classic understatement of the year. Actually, the announcerreported over the loud speaker that the final bell had begun, so Boyle made his move only to have the announcer admit quickly that it was really the next-to-last one.

By this time Boyle could not check himself. He had used up all his energy and could only jog through the last lap, comenting later, "I was assured of at least one of the top three positions if that hadn't happened."

Since becoming eligible this semester, he has won two big races, the mile at the Kentucky Relays and the two-mile at Louisian State.

His best career marks are City and finished fifth. Kentucky of 4:11.9 was a new record and earned him a duals champion in track. Boyle is profuse in wholehearted praise of Bob coach Todd Lloyd. "It's the greatest coach I've ever had.

"He knows what we're going to do in each event and what kind of a shape we need for a top performance."

"He also has a lot of confidence in each of us as individuals," Boyle continued quietly, "and when someone like Coach Lloyd has that kind of confidence in you, it sorts you out of there."

Boyle pointed to fellow Yankee teammates Cliff Clark and Jim Crawford as testimonials to Lloyd's ability as a coach. "Just look how Bob coach has brought Boyle to Harding. The last two miles sport in New York, and Clark told him the coach and Lloyd.

"He also informed his neighbor about Crawford, and that was all it took. A top competetor like Boyle could not resist a challenge like that, in my opinion."

Boyle has an emerging nature and a genuine modesty about his track talents. Copying his coach's habit of giving advice, the athlete decided to offer a little bit himself.

"Hey, you better not do a thing like that," is earned with a twinkle in his eye. "Write about somebody else."

So we did.

SPORTIN' AROUND

BY TOM SIMMONS

Spring Sports Summary

Since school is coming to a climax and all of the spring sports are going to be over soon we thought we would take a quick glance at each of the sports and each team's chances in the upcoming tournaments and meets.

First of all let us look at the golfing squad. After a slow start the team has steadily improved. Terry McMichael has been leading the team thus far. Mike McGeorge, Ed Lord, Mike McGeorge, by John McMackin round out the top four. Huller and Mike McMackin have been steady performers in recent matches.

The TENNIS TEAM IS very young but it has the potential to finish higher than last year's fourth place showing. Number one man Dave Elliott has been ailing with a virus and has not been able to play in a week. When he is able to return he will again be a valuable asset to the team.

Dean Beaver, a freshman, has teamed up with Elliott to make a strong double team. In singles play he has also done extremely well. These freshmen who have come along strong in the past month are Guy Bragg, Lynn Dixon and Rusty Barkley. Gropp and Van Atkins, Lomax, Junior Massey and Steve Sanderson have made a strong doubles team. In Boyle has done well in the two-lane jumps, the discus and broad jump, the discus and broad jump, the discus and broad jump, the discus and broad jump.

**Crawford Inches Toward Goal**

By Jean Flippin

Huntington's Jim Crawford inch by way closer to a sub-four minute mile Saturday with a 4:04.3 clinching at the Kansas Relays.

Running against world record holder Jim Ryun of Kansas, the performer flashed by one-tenth of a second his school mark and school mark. Ryan was first with a new American collegiate record of 3:54.

In second place, dogged Crawford all the way, was Richard Romo, who had earlier beaten the Harding product at the Texas Relays in Austin. It was here that Crawford recorded a time of 4:43.8, which, in his words, was "a lot easier running than this one."

**Hoped to Break**

Crawford had hoped to go under four minutes at Kansas and felt that if he stayed with Romo, he could do it. As things turned out, Romo did not break the barrier either, but ran a 4:06.2.

Harding senior Cliff Clark was fifth in the 3000-meter steeplechase, turning in what he felt was a "disappointing" 9:14.5 clocking. He was far off his career best of 9:04, run March 21, at Florida Relays.

Chris McCabe of Oklahoma State was first with a terrific 8:40. Tom Reaves of Texas Tech also went sub-four minutes with a 3:59.6, his best time.

With LRU, Southern Baptist

By Ron Kilien

David Jones threw for both Harding's wins last week as the Bisons split non-conference doubleheaders with Little Rock University and Southern Baptist University.

The Bisons bounced back with 13 hits in the second contest to win 2-1 in 12 innings. Starting Randy Carr held LRU to 11 hits and one run for 11 innings. David Jones, who struck out the side in the tenth to take the win. Roy Steele scored the winning run on a double and a pair of wild pitches.

On Thursday the Bisons fell to Southern Baptist 5-2 in the first game. Benny Purker took the loss in the second game. The Bisons bounced back again to win 6-4. David Jones held SBC to two hits in going the seven innings for his second win of the week. Phil Dismore led the 12-hit batting attack with three runs.

Friday's doubleheader with Southern State was postponed because of rain. Going into yesterday's doubleheader with Philander Smith, the Bisons record run above the 500 mark at 19-8. The conference record remains at 24, with most of the AIC games still to be played.

**JOB OPPORTUNITIES for male students**
