**FINISH**
The need for a genuine book store at Harding University becomes obvious. And the opinion expressed in this statement may be shared by a large and increasing number of students. From the beginning, Harding newspapers, including the BISON, have been critical of the nonexistence of a book store. Hence the feelings of newspaper editors toward obvious consensus in any way. Interpretation and opinion should be left to the editorial pages.

Without a store, students must go through the hassle of finding books at stores or libraries, or even ordering them online. This can be time-consuming and expensive, especially for students on a tight budget. The lack of a book store also means that students cannot easily access the latest and most relevant materials, which can affect their studies and overall learning experience. Moreover, the absence of a book store may discourage students from exploring new areas of interest, as they may not have easy access to books that can introduce them to new ideas and perspectives.

In conclusion, the existence of a book store is essential for a college campus. It provides students with the resources they need to succeed academically and encourages a vibrant intellectual community. Harding University should take action to establish a book store, ensuring that students have access to the books they need to succeed.
Three New Books by Bales Published

By Gary Cottrell

This summer saw the publication of three new books by Dr. James D. Bales, professor of Christian doctrine at Harding.

In The God-Killer, Dr. Bales discusses Dr. Thomas Altizer's movement of "Christian athe­ism." He deals with Altizer's doctrine of God, specifically what he means by the term "God is dead."

Another of Dr. Bales" new books is The Faith Under Fire which deals with some of the current attacks and criticisms against the church as expressed in Voices of Concern, edited by Robert Myers. Some of the subjects Dr. Bales' book deals with are the attitude toward the Bible as expressed by some of the contributors to Voices of Concern, what is the church and a discussion of Pharisaism and the wisdom of the world in answer to its charges of Pharisaism against the church of Christ.

A third book which Dr. Bales published this summer is entitled The Martin Luther Story. This book deals with King's doctrine of anarchy - one has the duty to violate a law which he feels treats him unjustly - his religious modernism and socialism and the claim that he is a pacifist. Dr. Bales states that his pacifism is usually reserved for dealings with the communists.

The book also discusses King's "march to the left" and his attacks on the United States in connection with the war in Viet­nam.

The book, however, "does not attempt to judge his motives, but to deal with some of his teachings and associations. The book deals with what he has said and done rather than why."

Leadership Conference is Tonight

Tonight at 7:00, club presi­dents, class officers and other recognized student leaders will gather at Harding's fourth an­nual Leadership Conference.

The session, sponsored by the Student Association will be held in the American Studies Auditorium.

Sam Hester, SA senior repre­sentative and chairman of the conference, has chosen as dis­cussion topics, student service projects, campus attitudes toward religion, student behavior, homecoming activities and Har­ding's growth and future.

Billy Ray Cox, director of the American Studies program, will present the keynote address on leadership.

The 1967 conference offers an opportunity for Harding's lead­ing students to express their opinions on popular topics and to help make decisions that will shape Harding's future.

Chorus Selects New Radio Voice

Steve Hamilla, freshman from Seiner, Tenn., has been selected as the new voice for the "Hymns from Harding" radio program heard each week over 17 stations in the continental United States, Alaska and Hawaii.

Twenty-five persons vied for the opening which was created when Jack Ryan, who had done the speaking part for the pro­gram for the past eight years, left to do work on his doctorate. The majority of those who tried out gave excellent performances according to Ruan Simmons, publicity director for the pro­gram.

Five finalists were selected and asked to return Saturday morning for another reading be­fore the voice was selected. Finalists were Andy Sanderson, instructor in speech; J. Harvey Dylus, instructor in speech; and students Chuq Parker and Paul Clements.

Placement Office Announces Visits

On Monday, Oct. 23, Pat Bell of the Little Rock office and Larry Parsons of the Dallas office of Ernst and Ernst will be on campus to conduct interviews with accounting majors, begin­ning at 10 a.m.

Charles K. Henderson, super­visor of that office of United States General Accounting Office of New Orleans, La., will be here on Tuesday, Oct. 24, to talk with accounting majors.

On Wednesday, Oct. 25, James A. Morgan of the Houston office of Peat, Marwick, Mitchell and Company will conduct interviews with accounting majors.

Stan Crawford from the Okla­homa City office of Arthur An­derson and Company will be on campus to interview accounting majors on Thursday, Oct. 26.

Accounting majors interested in being the voices for the pro­gram should make appointments well be­fore interview dates and may secure company brochures and application forms in advance.

Alpha Chi...

(Continued from page 1)

According to Dr. Fryor, the purpose of Alpha Chi is to "rec­ognize and promote superior scholarship and those elements of character which make schol­larship effective for good."
Harding Drops Fourth; Looks to A&M for First Victory
State College Jinx Prevails
As Bisons Lose to Bears 22-7
By Jean Fipkin
Harding put forth its best ef­fort of the season Saturday night at Conway, but the jinx prevailed as the awesome State College Bears won, 23-7, in AIC football action.
The loss, Harding's fourth of the year, virtually knocked the Bisons out of contention for the conference crown. SCA has a 3-0 season record.
Harding's only score came early in the second quarter, when a t e r n o to quarterback Jerry Copeland hit Don Dixon with a 41-yard pass. Dixon, the starting quarterback, was moved to split end and went from the SCA 15 for the tally. James Street kicked the extra point.

Galaxy Clips TAG For Championship
By David Crench
Galaxy defeated TAG Monday night 3-1 to claim the large club softball championship.
Gay Wheatley of Galaxy and Dale Allison of TAG were again the key men of this competition, but after two innings both pitchers had walked. An infield error allowed another run to score and Galaxy continued to chip runs as Ken Thomas and Ronn Reeve each picked up an RBI in the third inning.
In an earlier game played last Wednesday night, Galaxy took the game 9-8. Galaxy was unable to mount a scoring drive, and TAG scored two runs in the first and third innings and TAG scored a lone run in the bottom of the second.
Galaxy in their half of the sixth managed to collect two hits and push across two insurance runs as Ken Thomas and Ronn Reeve each picked up an RBI in this final inning of play.

Bisons Take On A&M's Tate
In Bid for First Season Win
By Tom Simmons
Still seeking its first victory of the season, the Bison football squad will take on tough Arkansas A&M at Pine Bluff this week-end in the Sight Bowl.
The Bisons took it on the chin last week for the fourth straight win, running the Harding season record to 0-4 and the conference mark to 0-3. A&M comes into the game with a 1-0-1 conference record and an overall mark of 3-3-1. A&M handed OU its second conference loss of the year last week at Arkansas. It was Gary Tate, the tough little Boll Weevil quarterback, that scored both touchdowns for A&M and did all of the damage.
Tate did the damage against the Bisons last year as he led A&M to a 13-7 victory. He and Clem are good passers giving A&M a point passing attack.
