Dear Folks:

I hope that by this time you are settled in your new home and are enjoying your association with the Church there. We remember with pleasure the unusual interest which all of you took in our Bible studies together. Those here at Broad Street who came to know you all send their deepest regards and best wishes.

I trust that this letter finds "Dutch" feeling good. He has been in our prayers often. To know that he did show the interest which he did in the Bible and in following God's will was and continues to be a source of inspiration to me.

I know that you will find interesting Brother Clevenger's preaching. The Church where he is is a good one. Enclosed you will find certificates showing when and where each of you were baptized into Christ. Please let us know if we can be of any help to you in any way.

Your brother in Christ,

John Allen Chalk
