Mr. M. H. Tucker  
500 N. Main  
Clinton, Tennessee

Dear M. H.:

During the spring of this year I had the opportunity to talk with you about the badly needed multi-purpose Physical Education building at Freed-Hardeman College. At that time you responded generously with a pledge to raise \$50 for this extremely important project.

You may or may not have had the time or opportunity to fulfill this pledge during the past few months but let me ask you to make the special effort to do so within the next few days. The full amount needed to build this crucial plant is lacking by almost \$50,000. Your efforts at this stage would be strategic.

Please answer this call for help. Christian Education has paid and will pay dividends to each of us in a thousand-fold ways. Let Freed-Hardeman College hear from you and your pledge for the Physical Education building within the next week.

Hopefully yours,

John Allen Chalk  
District Chairman  
Area V

It might interest you to know that at a "back-door" collection at the Broad Street congregation we raised \$510 for the building fund at FHC. Do all you can to meet this worthwhile goal.
