Mr. and Mrs. Art Carmichael
1454 Tanglewood
Abilene, Texas

Dear Lucille and Art:

My family and I feel indebted to you for the extremely kind way you welcomed and received us during our recent visit to Abilene. I was personally warmed by the genuine welcome which you offered me and pleased at the opportunity to be with you as much as I was. It is not difficult to say that when I think of Abilene and the Highland congregation you immediately come to mind.

The opportunity to visit and work in a small way with the Highland congregation was a moving experience for me. This must be attributed to individuals like yourself who went completely out of the way to make me feel at home. I trust that I did not impose upon your hospitality but must confess that I enjoyed the several visits in your home.

Fraternally yours,

John Allen Chalk
