Miss Katherine Green
Southern Strawberry Packers
Association
Portland, Tennessee

Dear Miss Green:

I would be very happy to speak for your association on Monday evening, April 6, in Memphis. I am in the process of delivering several after-dinner speeches over the state.

I would like to suggest an offbeat subject of a light but historic nature, "The Bell Witch Story of Tennessee." In keeping with the publicity given "spooks" lately this subject might be of interest and I have used it very profitably before several different groups.

I have never set a fee but would obviously expect to have my expenses provided. I will look forward to some answer from you in the near future.

Sincerely yours,

John Allen Chalk
