Dear Brother Jones:

I have just started receiving the bulletin from the Alberta congregation where you preach. I appreciate being placed on your mailing list.

This letter is written due to interest prompted by the picture of your building on the bulletin cover. If you have pictures, information about the building, or other material concerning its construction would you please send us a copy of all of it. This congregation is just beginning a long range development program with a view to build a new building and such information would be extremely helpful.

We send you our very best regards.

Fraternally yours,

John Allen Chalk
