San Jose Church of Christ
6233 San Jose Blvd.
Jacksonville, Florida

Dear Brother Couch:

We have all been thrilled by the tremendous progress that the San Jose congregation has made. We have received a copy of the booklet highlighting your new building and work. It is one of the finest jobs that I have ever seen.

We are in the midst of intensive and long range planning with our work here at Broad Street. Enclosed you will find a questionnaire that we have used in gaining much of the information on which our plans will have been based. Would you be so kind as to complete these questions and send them back to us at your earliest convenience? Some of the questions may be difficult, use your own judgment. Answer those questions for which you do have information and for our records please sign your signature to the last page. This is an infringement on an already crowded schedule we know but any efforts you can expend will be greatly appreciated.

Fraternally yours,

John Allen Chalk
