Mr. Burton Coffman
Manhattan Church of Christ
48 E. 80th Street
New York 21, New York

Dear Brother Coffman:

It was a delight to visit with you at the Lipscomb Lectures. One never leaves an association with you without feeling encouraged and happy.

Brother Cummins was greatly impressed by the Manhattan project and returned to Cookeville with his enthusiasm high. At our recent Elders and Deacons meeting the matter was thoroughly discussed only to have other elders over ride the Doctor's concern and interest.

I am confident that further participation in the Manhattan project would actually help us in our big move but with a \$300,000 or \$350,000 project facing them, our leaders could not take the necessary step.

I send you this news with a heavy heart for I am greatly concerned and interested in your work in New York.

Fraternally yours,

John Allen Chalk
