Mr. A. M. Burton II
4504 Shys Hill Road
Nashville, Tennessee

Dear A. M.:

The response and attentiveness of our young people last evening was a clear indication of the excellent job you did. Needless to say, I was highly pleased at your presentation but even more encouraged by your willingness to come and talk to our young people.

We are sorry that the family couldn't make the trip but understood perfectly the situation. The Elders of the congregation and the parents of the young people send you their gratitude for your visit. We feel confident that you were a help and that your remarks will be beneficial in the future lives of our young people.

Fraternally yours,

John Allen Chalk
