Dear John:

I was really somewhat shocked to learn that you hadn't brought your secretary, considering your language in other matters I thought it was understood about the secretary. On second thought maybe the Petrolia Baptist Tabernacle is the place for you.

If you could find someone to give you a map it would help to get you here, and to help I will give you a few directions. We always come out 351 the Albany highway, the one street on the north end of the campus by the stadium; and proceed at 60 m.p.h. to Albany and on the eastern edge of town turn north on highways 283 to the northern edge of Throckmorton you take # 79 which brings you to Petrolia, by way of Olney, Archer City, and Wichita Falls(outskirts). You can come #277, Anson, Seymour, W.F., but the other way is better, and a lot less traffic.

We are planning on an ice cream supper Saturday night and so come as early as you can and I will enjoy visiting with you before hand.

We are looking forward to having you.

Till then,
