Dear John Allen:

It was certainly a pleasure to get to see you last week and have a chance to chat with you for a while. Yes sir, the great James Chalk, bought me a ~~cake~~. If you don't believe you are great, just ask the people in Petrolia. Boy did I feed them a line, and told them all about you.

One of our elders heard you at Highland the first Sunday you were there and was quite impressed. I believe you might be able to get the job preaching here if I ever decide to leave. We are looking forward to you being here, as we plan to have a complete revival in just one sermon.

I sure do hope you will come up on Saturday night as we would have a good excuse to have ice cream supper and some good cake. I would like to know by Sunday if you can come as it would be necessary to announce it a week ahead of time. It would be very enjoyable to visit some more with you. We will probably put you in the dog house, a real comfortable and private place. One of the elders has a room built out in his garage where he could sleep when he was working nights and it is real nice.

Got my office air-conditioned Monday and it sure is nice, but it will spoil me I imagine. Maybe I can get a lot more work done now.

Let me hear from you about Saturday night, August 10, 1963 pronto, Texas for quick.

IN Christian love,
