Dear Mr. Chalk:

Your inquiry to Concordia Publishing House, has been referred to Cokesbury, Retail Division of the Methodist Publishing House.

Your church can have the benefit of a great wealth of experience and selected talents when using Concordia films. Concordia films through the years have proven to be one of the best producers of religious films. The films are Biblically accurate and the characters are very effectively portrayed by leading actors.

Under separate cover the Bible Index to Concordia films and the Cokesbury Projector Catalog are coming to you.

Cokesbury has available for use of your church both 16 mm sound films and 35 mm filmstrips produced by Concordia Publishing House.

When ordering film rentals we recommend our receiving your order approximately ten days to two weeks prior to your scheduled program date. The 16 mm film rentals are shipped as Fourth Class mail, thereby, taking a little longer time than the ordinary First Class mail. Films can be shipped Special Handling or Special Delivery at an increased postal fee.

We appreciate your interest in using Concordia films and filmstrips and look forward to serving you in the near future.

Sincerely,

Marvin Foster
