Dear Bro + Sister + folks,

I finally got to your name. I want you to thank the whole church for the things they gave us and did for us while we were there.

We both thank you for <sup>the</sup> Party you gave us.

The dinner + supper too.

I had so much fun while I was up there.

There's not very much to say, but I know this everyone up there was real nice to us. Well I guess I'd better hush for now.
