Dear Brother John Allen;

I cannot recall for sure, but I think we neglected to acknowledge the assistance you gave to our summer campaign last year. Thank you very much for your thoughtfulness in giving us the \$25. deducted from your meeting at Adamsville.

The work here progressed quite well last year. There were 18 baptized which more than doubled our membership. However, some of these have moved away, leaving us 27 adult members at present.

John Allen, we are wondering if it might be possible for the church where you labour to send you here for a meeting this summer. We could supply no more than food and lodging while you are with us. We are having a meeting and VBS the second week in July, as this is the only time possible here, all other things considered. If not this year, could it be arranged at some future date? The cost would be around \$350.00 if you travel by car.

If possible, we would like your wife to come also, that would make two more teachers in the VBS. (Last summer our VBS averaged 128.9 with only eight teachers).

I realize this is a late date for such a request, but beg of you to give this prayerful attention.

Yours for Jesus,

Lynn Anderson
