Dear John Allen:

I have been asked by the Queens Church to assist them in the selection of the very highest type of personnel to work during the Fair this year, April 22 - October 18. You have been recommended to the Queens brethren as a possible "Teacher-Counselor".

May I, therefore, ask the following --

1. Would you be willing to re-arrange your 1964 schedule, to the mutual satisfaction of all concerned, so that you could serve in this capacity for one month or more during the above dates? (I am sure you recognize the advantages -- financially, training and otherwise -- for as long a term as possible.)
2. Could you attend the ACC Lectureship, Abilene, Texas, Feb. 23-27, to meet with representatives of the Queens Church to discuss this work in detail?
3. Would you kindly fill out the enclosed questionnaire to enable the Queens brethren to become better acquainted with you and your background?
4. Would you be agreeable to someone representing the Queens Church to contact your elders for your support and release (if you are engaged in full-time church work)?

I know you realize the urgency of time in this regard, and will reply by return air-mail. May I say, the more involved I become with the challenge of the World's Fair project, as an opportunity to present the teaching and cause of Christ, the more thrilled and "sold" I become.

Anxiously awaiting your prompt reply, I remain

Yours sincerely,

A handwritten signature in cursive script, reading "L. Arnold Watson". The signature is written in dark ink and is positioned above the printed name.
