Dear John Allen,

Last week I received your letter and was very happy that you will be speaking at Highland for two Sundays. The congregation is one of great potential and also will show you good Texas hospitality.

The elders requested that I write again concerning your being with us while you are in Texas. It would be better for us and the plans that we have made for the summer if you could come August 18. If this date is not suitable then plan to come one of the other sundays in August and let us know which will be more suitable for you.

The work here is progressing very nicely, but as you well remember the summer is quickly drawing upon us and the heat already is terrible. Let us know how your work is doing. I have often wondered whether you succeeded in promoting a new building or not.

Yours in Christ,

Kenneth
