Dear Brother Chalk:

Brother Melvin Wise, who is now preaching for the Druid Hills Church in Atlanta, Georgia, has accepted our invitation to come and work with us. He will begin his work here around February 1, 1963. The decision to employ Brother Wise was based, to a great extent, upon the wishes of the congregation as a whole. There were some seven or eight preachers whom we considered for the position, and the elders felt that each one was a sound gospel preacher, and any one of them including you, Brother Chalk, would have been a great help to us in the work of the church in this community.

We appreciate so much your willingness to come and get acquainted with us, and feel honored that you considered working with us here at Brainerd.

The other elders join me in sending our best regards to you and your family, and best wishes and prayers for your continued good health and prosperity for the coming year both in a physical way and in the work of the Lord, whether it may be in Cookeville, or some other location.

Yours in Christ,

Kelley E. Massey
