Mr. John Allen Chalk, Minister  
Broad Street Church of Christ  
Cookeville, Tennessee  

Dear John:

It was good to talk with you recently. We have been quite excited about the prospects of your great plant being constructed there, and it was good to learn that all is moving along so well.

Last night, in a meeting of elders and deacons, it was decided that, if it met your approval, our meeting would begin June 14. This is due to the fact that the Brown Shoe Factory will not operate the two weeks preceding our suggested date, and their employees will be out of town.

If this date does not meet your approval, please inform us.

For years this church has had a ten-day meeting and the VBS was conducted concurrently. Last year we managed to cut out the ten-day business, and this year we are planning our VBS at a different time. Did I hear you shout? The only thing you will need to remember to plan for is the daily radio program. However, if that will be a burden to you we can arrange to tape it ahead of time or get it taken care of some way.

Your sister and the baby seem to have a virus, but, aside from that, they are doing fine. I was by their house this morning.

We look forward to your coming, and will do all we can to insure a successful meeting.

May God's blessing be with you always.

Your brother and friend,

Jimmy Rogers
