DAYTON 6, OHIO

June 5, 1963

Mr. John A. Chalk  
P. O. Box 474  
Cookeville, Tennessee

Dear Mr. Chalk:

I recall distinctly the delightful telephone conversation we had March 21st, 1963, and the deep interest you manifested in the BD program of United Theological Seminary. Since that conversation we have thought of you a number of times and wonder, therefore, how your plans are materializing for moving to the Dayton area.

We sincerely trust that all is well with you, that your plans are moving along, and that we may have the pleasure of meeting you in the near future.

I am enclosing herewith a copy of our ministers conference program which is held on our campus each summer the first week of July. If you should happen to be in the area that week, we would like you to feel perfectly welcome to visit the campus and participate in this program so far as your schedule permits. We will be glad to hear from you at any time and to learn how your plans are materializing so that you may continue your theological studies. If we can do anything for you or if you have any questions about United Seminary, we would be glad to have you write us at once.

With kindest wishes to you for a most pleasant summer, I am,

Sincerely yours,

George W. Frey,  
Registrar.
