Dear John Allen:

If you can help us in our Appalachian Mt. Tent Campaign, please let me know as soon as you can.

Tell the elders I request them to let us use you in a one-week meeting, sometime this summer, providing you have the time to spare: we will work a meeting out to suite your schedule, and you will preach somewhere in the Appalachian Mt.

They are printing my life and missionary activities in a magazine: the Appalachian Mt. Tent work is featured in it. If you can help me, then send me a photo (3 X 5 Or a 5X7) of yourself just as soon as you can: I have to have it by this coming Friday, so we can get it into the magazine. There will be 16 to 20 preachers and social workers in this summer's campaign.

2,000 of these magazines will be sent to interested churches and individuals, in U.S. and several foreign countries. We believe the good people will help us: John, there are many lost souls out in the world: We ask you to remember us in your prayers: we pray to God for you and your family: my wife and I often speak of you, for we love you even as our own people.

Will they let you go to the Jungles of the Caribbean with me next year... this coming winter? There is one tribe of 1,200 who wear rings in their noses: I believe if we used our heard properly, we can establish Christianity among them: it is dangerous John, I would not take you unless I tell you they are wild men... but they are people Christ died for. I wish you would go with me.

If you can help in our meeting, we want you to go and preach a one-week meeting, in the tent: others will be there to see to the tent and other things: but it will be your meeting, and the church's meeting, there where you are.

If you can go, give this info, along with your photo:
