Dear John:

We appreciate the prompt reply that you gave to our letter of January 18. We are happy that you can come for a meeting in 1967. The time chosen by the Elders is July 31 - August 6. We have heard many good reports of your meeting work and believe that you will do an outstanding job of preaching the Word here. If you will, write us another letter confirming this date, which letter we will keep for our permanent record.

I wish that I could have heard you speak at the lectures this year but the Elders decided it best not to change our Wednesday Bible study since we have had some confusion about changing before.

Come and see us anytime you are near. We wish for you the best.

Sincerely,

*Charles Thomason*
