Dear Brother Chalk:

I appreciate your nice letter, and although I am sorry the elders there do not feel they can help us, yet I feel there ~~is~~ one suggestion which they might be willing to take. I humbly suggest that you take it up in a business meeting if you feel it is wise or have someone else to do it. If they would only make a little announcement about our program now and then and ask if anyone has any special money they would like to contribute to Manhattan and then hand it to the treasurer. This plan was followed in Falls Church, Virginia, last year and with 12 announcements made once a month during the year they received more than \$1280 which was contributed in February to this work. This may not work in your situation, but it is worth a try.

God bless you.

Sincerely yours,

Burton Coffman
