Church of Christ  
Cookeville, Tennessee

Dear Brother Chalk:

As always, it is a pleasure to see you. You are such a wonderful and enthusiastic young minister. I know you must be doing a wonderful lot of good.

Brother Chalk, in this same mail I am writing a letter to your elders in care of Dr. Cummins with the suggestion that they aid us in the Manhattan project if possible. I know you will be glad to encourage this and I do hope and pray that your congregation may take a substantial part of this project.

Enclosed is one of our little folders which you may already have seen but which some of the elders may not have seen.

Sincerely yours,
