Dear John Allen:

It has been such a pleasure to hear from you from time to time and especially the warm New Years's greeting. Ruth joins with me in wishing you and yours the very best.

I'm ashamed that I have not written and told you what very fine gentlemen your boys were while they were here. They seemed to enjoy their visit so much and expressed their appreciation to each one that helped them. This is such a compliment to you and I want to say again how I appreciate you in encouraging and aiding them to become interested in Christian education. We have recieved a letter from one of the boys expressing the apprecation of all and from two of the parents.

Ruth and I want to invite you and your wife to be our guests for lecturship. It is a very busy time and the chow might not be everything it should, but please make your plans to stay with us. It would indeed be our pleasure. Should you come by air I will see that you have a car while here so you will be free to do what you want. If your wife can not come we want you anyway. Let us know when you decide.

All of us here talk of you often and pray that you will continue to do much for Him.

Sincerely,

Bob
