Dear Brother Chalk:

We gratefully accept your offer to come the second full week of June. We are looking forward with a great deal of enthusiasm to this meeting.

We are late in answering but when you read the *AIM*, you will know why. I have just been worked to death. The attendance is now running in the 70's and we had 168 for "open house".

If you have any suggestions for advertising the meeting, please send them to us. May God bless you and the elders for the decision to have this mission meeting.

In Christ,

Bill Mead
