Dear Brother Chalk:

We are delighted to know that you will be with us October 10 through the 15th in 1965. By this time we hope that the church will be a fairly large congregation.

We are all getting along fine and the church is growing slowly and is at peace. We had hoped to see you during the Lipscomb lectures, perhaps we can the next time we are in the south.

We have a request for help which is very slight, if you are able to do it. Some Christians have given us their back copies of the 20th Century Christian and Power For Today. We have found excellent results in giving these to people in Ashland as well as those destitute people in the hill country of Floyd and Pike counties. If the members there have old copies of these and other booklet-type publications, and if you are not already using them in some plan; we would appreciate having them for the people here.

We are sending you a copy of our bulletin.

May God bless you in every undertaking for good.

In Christ,

  
Bill Mead
