Dear John,

I was a little disturbed when I recieved your Church bulletin of two weeks ago. On the back you mention "Governmnet Giveaway Continues". Old Buddy I think you have not looked into this program of Urban Renewal far enough and are being a little biased in your thinking.

Catholic instituions and churches are a small per cent of the churches and instufutions who have and are receiving benefits from this program. I think you will find that several Church of Christ congregations and institutions have used thismethod of developing.

Some of the colæeges you are familiar with which are not Catholic and that you did not mention in your bulletin are: Univ. of Tenn., Univ. of Chattanooga, Univ. of Georgia, Georgia Tech, Austin Peay, Memphis State etc.

I am enclosing a reprint of a letter from the Commissioner of Urban Renewal which I think will be of help to you. NOW PLEASE READ WITH AN UNBIASED OPINION. (I should probably say a few prayers for you on this).

Glad to see that you seem to be moving forward in getting your new church. Give our regards to Sue and daughter.

Your friend,

Bill L. Teuton
