Dear John Allen:

I visited with your folks a few weeks ago when they came to camp to pick up your younger brother. We talked about your trip to Abilene and my riding with you. If it is convenient for you, I'd appreciate the ride very much.

I will not be going all the way to Abilene. My family is going to Texas this Saturday, July 6, in our car, then on to Wichita, Kansas, in another car. They will leave our car in Nacona, Texas. In order for me to make arrangements to have someone meet me "Somewhere" to take me to Nacona to get our car, I will need to know:

1. What day you plan to leave.
2. What time.
3. Where I should meet you.
4. What route you plan to take.
5. When you plan to arrive in Abilene.

Enclosed is a post card on which you may answer these questions and return to me at your earliest convenience.

It will be good to visit with you again.

Sincerely,

Ben H. Zickefoose
