Mr John Allen Chalk
Cookeville, Tenn.

Dear John Allen:

Of course we are all disappointed that you cannot be with us this year, but as you say, the opportunity to study at Abilene is much too great to turn down.

The brethren asked me to write you that we will all be looking forward to the same dates next year(1964) for a meeting!.

We plan to get a preacher close to home for this year, since you cannot be with us.

Do hope you will enjoy your studies this summer. Its good to have a change sometime. Our best wishes to you,

Christian love
