Dear Brother Chalk:

The Queens congregation in Flushing is looking for a minister to come and take over the local work. Our present minister needs very much to give his full time to the great evangelistic program for the 1964-65 New York World's Fair which is under the direction of this congregation; therefore, we need the services of an experienced and qualified man as soon as possible.

Brother Phillip Morrison of Miami, Florida, has recommended that we contact you as he felt that you are the kind of man we are looking for and that you might be interested in coming into this area to labor for the Lord.

Brother Chalk, will you please write us very soon and indicate whether or not you might be interested in working in this area. We do not ask that you commit yourself to anything, but only that you let us know if there is any point in discussing this further with you. If you have a commitment that you would rather not break or some other reason that makes it impossible for you to come to this area at this time, we would like to know. If you are at all interested we will contact you further and together work out some plan for you to determine definitely whether you would like to come here and work with us; and, of course, for us to determine whether or not you would be the man we would like to have for our local minister. Anything you write us will be held in strictest confidence.

Thanking you for your time and looking forward to hearing from you soon, I remain,

Faithfully yours,

Adgel Langford
Chairman, Evangelistic Committee
