Dear Don:

I don't know if you are the one to whom I should write about the meeting of the Midwest chapter of the National Religious Broadcasters in St. Louis. I will be speaking at the Monday afternoon session on Radio and Television and the Highland Church of Christ." Another one of our staff will be speaking at the breakfast on Tuesday morning. Dr. Bates!! Barrett Baxter, presently the speaker on both radio and television for Herald of Truth. My name is listed for the speaker at the breakfast on Tuesday morning but Dr. Baxter will be coming to speak at that time. I had his appearance approved but I am not sure whether it was by you or someone else.

I did want to ask if you are expecting, during Monday afternoon, a sketch, a history, and a philosophy of what we are trying to do in mass media. If this is not the direction you would like for me to take in that opening address, I would be happy to have other suggestions from you.

Thank you so much for letting Herald of Truth share its story with fellow religious broadcasters. We look forward to seeing you and enjoying the fellowship of the 1969 meeting.

Sincerely yours,

John Allen Chalk
