JAC--

Just came on June. Thought  
it belonged to YOU.

Remember me and a special  
project for emotionally  
disturbed that's being put  
together as He directs...and  
totally in faith (with planning  
for past 10 yrs., plus action.)

I cannot claim it to be a (over)

world revolution...just some-  
thing I promised my Maker I'd  
be willing to try when/if He  
led and opened the first door.  
All this He has now done...and  
"turkey" is mine to eat, and  
like. ~~More on INN REALITY~~ very  
soon. Meantime, ask Helen to put  
a note for information to:  
Michael Wells, Director  
Spring Lake Ranch, Inc.  
Cuttingsville, Vt. 05738  
Cordially,

*Helen write B. Paul Taylor  
moment for the if you*

Dear JAC--

Friday a letter arrived from Helen telling of your ABILENE decision.

The ONE thing I'm always happy about is your reliance upon the guidance of God! I wish every good thing for you and your ministry to the people of Abilene on a direct basis. May this lead you to God's next goal for you--and may you be sensitive/aware as he guides.

I am anxious to learn what all this actually means! Where does your CHRISTIAN REVOLUTION come into this picture? Have you written or heard from Ed Butler (of REVOLUTION IS MY PROFESSION?)?

The original seminar on THE ART OF ASKING QUESTIONS now seems delayed "yet a little while." Meantime two projects ZOOMED onto the horizon:

- a. Establishment of an English-style Inn (including concepts from Herrick's MASTER OF THE INN -- have Helen get local library to secure for you--long out of print) and more especially the best of SPRING LAKE RANCH, Cuttingsville, Vermont -- Michael Wells, Director. Have Helen write pronto for information. You need it in the files! (Me thinks.)
- b. Banff International Weekly (a weekly finally second to none in editorial/article quality) for they've just announced going year-round becoming one of three top winter resorts in world. Famous Canadian Pacific hotel there goes on 365-day basis this year! More on this soon. It'd be in local/regional and INTERNATIONAL AIR MAIL edition for free 6-mo. after visit!!

*Helen!  
Write this!*

Time to mail...take care, JAC!
